

Doyle Chambers' Business System Report #6:

Build A Growing Income That Can Spread All Over America...

You may want to print out this Report so you can easily read it.

My name is Doyle Chambers and my phone number is 972-635-9407.

Yes, that's right! An ordinary person living almost anywhere in the world can effectively use my 2-Pronged Marketing System. We ALL can build a Giant LEVERAGED Income!

If you cannot build a LEVERAGED business - then you are wasting your valuable time.

You must develop a MARKETING EXPANSION strategy with the right business...to reach around America farther, faster, deeper and cheaper than ever before.

In the fast moving American economy of today, you should be able to communicate with people - NO MATTER WHO THEY ARE - OR - WHERE THEY COME FROM.

You must successfully communicate your message to the greatest possible number of consumers - AROUND THE COUNTRY.

You MUST realize the importance of choosing the "right business" that enables you to expand NATIONALLY. Your great efforts must be applied toward creating a NATIONAL DISTRIBUTION BUSINESS.

Recruiting and training new people who live in all parts of America is a very difficult task. The nationalization of your business would not be able to function without having well-engineered recruiting tools and marketing systems.

Even though these tools and systems are very complex to initially setup (by a master marketer), the tools and marketing systems MUST BE SIMPLE TO USE BY EVERYONE.

Participants SHOULD NOT need to understand the complexities of the well-engineered marketing system to be able to use it effectively.

The marketing system and recruiting tools MUST BE designed to work equally-well for everyone -- regardless of skill or abilities.

They can also learn about marketing methods, as well as complete product information. We are able to share the story of our business in a strong manner so the message is delivered clearly and persuasively.

Our automatic marketing system will continue to communicate and maintain good relations with all of our business associates.

Our associates will remain loyal and devoted, because of the trust that has been built.

TALK TO EVERYONE IN AMERICA...AND YOU'LL BE ABLE TO ATTRACT MORE PEOPLE TO INCREASE SALES...AND CAUSE YOUR DISTRIBUTION BUSINESS TO SPREAD AND GROW FAST.

A TRUE STORY... In 1986, a well-known networkmarketer named Mark started building his business. After 6 months of hard work using traditional one-on-one local recruiting methods, something UNEXPECTED happened with Mark's business.

After checking his monthly downline organization report, Mark noticed 5 people living in Michigan had joined his group.

But, Mark didn't recruit these 5 new people in Michigan. Who did? Someone in Mark's organization had family members in Michigan and enrolled them.

After a couple of months, those 5 people in Michigan grew and turned into 73 people. Mark got excited. He immediately called a few of those Michigan people. What he learned was fascinating.

These people were hungry for opportunity and embraced the business quickly. When those Michigan people brought the opportunity to other people they knew - they joined quickly - and started building their own businesses quickly.

Mark's new Michigan organization was growing rapidly. Mark did something even he couldn't have planned for. Mark jumped on an airplane and flew to Michigan in 1986 to meet all of these people in his growing group.

Mark did hotel meetings for about 9 weeks. He was astounded by their open attitude toward the opportunity. Realize this - Mark personally enrolled no one in Michigan. Someone in his organization did. Yet -- Mark's organization exploded and soon spread into more and more...and his income grew.

Fast forward to today...My 2-Pronged Marketing System can build a Giant Income for You - and all those who join with you.

How? In addition to having Referral Postcards, I offer Referral Websites for members on my team.

You can choose to have a Referral Website or not.

The people in your downline can choose to have a Referral website, or not. But someone -- if not You -- will use the Referral Website to build their Business.

The growth of Your business can first start in one or two places -- and then quickly spread all over America.

And remember - anyone can choose to use one of my Referral Websites.

So that means - your organization can spread faster and farther into more and more areas of the country - **EVEN IF YOU PERSONALLY CHOOSE NOT TO HAVE YOUR OWN REFERRAL WEBSITE.**

BUT WHAT IF YOU DID CHOOSE TO HAVE YOUR OWN REFERRAL WEBSITE...Just think how much faster your business could spread.

Can you ignore the absolute fact that average people are making such incredibly large incomes in such a short time with this fast growing opportunity?

All of the people who've joined had one thing in common in the beginning - they had enough trust and were open-minded enough to look further into this business.

These people called me on the phone with their questions and found out I'm for real...and I'm easy to talk to. They all found out how much I care about helping people to succeed.

If you have questions or concerns - then give me a call at 972-635-9407.

When you call me, you won't get a sales pitch - I'll just answer your questions. I'm not a high-pressure or hard-sell type person.

My approach to you will be to simply answer your questions and let you decide for yourself. I know that the best people convince themselves rather than letting other people convince them.

So I'll let you do all the work.

With this business -- you simply refer people each day. Your referral people will go to my website and get my Free Report and read everything. Your referral people will sign up just as you have. Then, those

people start building their business, and yours too. It's just that simple!
