# Income Asset Building is Far Richer Than Trying to Build [just] an MLM Downline.

When you become an effective direct marketer, your goal is to turn everything you touch into an income generating asset. **You need to have enough income assets bundled together to be in position to make a serious income.**

**All I did was devise a cash flow system that everyone could use and make money.**

What I did was string a ton of tools together. The **MACHINES** (*website sales letters*) do all of the selling. **THEY SORT + SPEAK + SELL + SPONSOR FOR YOU!** Prospects eat it up. They end up selling themselves. **AFTER** they buy your first offer, the system automatically shows them **MULTIPLE** product offers. That is called the back-end. Now watch them come **BACK** and buy another product from you.

**You must connect people to the first retail sale, and then to another one. That is how you get lines of people to buy more from you.**

This Marketing Funnel System Gets Prospects to Surrender To Whatever You Sell...they buy multiple products all at one time. **You can earn over and over on the same buyers.** Many people **UPGRADE** to the higher-priced whopper products. *Any real sales system has to be predictable and it MUST move your prospects into a position to purchase repeatedly.*

**The key is to have multiple products and weave people through 2-3-4 products and courses -- and then offer them your MLM at the end.** But first, make at least \$30-\$150 per buyer **BEFORE** you pitch them your MLM program.

**You sell them how-to information courses and marketing systems FIRST.**

- A) This gives you cash-flow and...
- B) This gives you an endless supply of **FREE** leads.
- C) The potential is making \$1500 to \$15,000 a month on-the-side.
- D) Then, back-ending everyone into your MLM.

Think about it. How would you like to earn an extra \$3,000 a month **BEFORE** your MLM income kicked in? I create "systems" that **CREATE CASH FLOW** and a system that creates leads all at the same time.

One of my top priorities is to **SELL THINGS** to People. I always recruit harder and better if I have sold something **\*\*\*FIRST\*\*\*** to the person.

**In a sales transaction, if a person BUYS from you they ...**

- Learn to trust you ...
- That prospect turns into a CUSTOMER ...
- Customers become FRIENDS ...
- It's EASIER to sponsor a customer than it is trying to rope a stranger into your MLM.

And that's what my courses teach you how to do. First, HOW to sell information systems to people. Then HOW to **\*\*\*GRACEFULLY\*\*\*** back-end them into your MLM program.

Most people don't have a true sales process. Enrolling people into your MLM should NOT be the primary focus of your business. In marketing it is called **CONTINUITY**. That is where after you advertise and sell your "front-end" product, then the system itself SELLS the buyer the back-end products that are \$100, \$200, \$500, or more.

It is free money because the system sells the first product, and the 2nd one, and then the 3rd one! You earn from multiple products, not just one.

I can teach you how to funnel 1,000's of prospects through an effective sales process. On the back-end of the "sales system", you can automatically enroll EAGER new people into your MLM program.

MLM doesn't work for most people BECAUSE they try to sell what isn't bought. Many naive people are trying to sell MLM company products, and the merits of "company pay plans". This is not a true marketing system.

**I have created a "true sales system" that can bring you loads of eager Beavers with money in their hands. They buy multiple products, and join your MLM too.**

Regardless if whether or not the prospect "joins", you still funded the recruiting exercise with the cash that was made on the front end retail purchases. You earn money regardless of who joins your MLM.

The reason I have done well in Network Marketing over 20 years is for 3 simple reasons.

1. I don't "recruit" people. I just market a (true) system.
2. The system sorts, sells, selects and sponsors for you.
3. My system is extremely simple for people to use!

**First, you retail multiple products to make large piles of profit. And second, you gather a base of customers and prospects to funnel into your MLM program. It's a premeditated sales process. It's predictable. Yes, there is a formula. You must have a true sales process.**

**An Open Letter from Doyle Chambers**

When I was in the military, I was trained on highly complicated communications equipment. Because the technology was top secret, I was locked in a vault for 6 hours a day. That lasted for 8 months. One piece of equipment had over 4,000 moving parts and inter-faced with banks of electronic circuit boards. There were over 200 mechanical adjustments that had to be made. If the tolerances were off by a small margin, the whole thing would not work.

After being trained, I was then transferred to Travis Air Force Base in northern California. It was the largest base on the west coast. It was known as the "GATEWAY TO THE EAST".

With my job duties, I had to repair and maintain the communications equipment located at all of the communication centers. I'd often get called out at 3AM to go figure out what was wrong with the machines. I had to fix them immediately. There was a lot of pressure on me.

In my fourth year in the military, I was chosen to serve in the NCMO. That stands for Navigation Communications Management Office. I was trained to manage and oversee basically everything on the entire military base, except for the aircraft.

I sat in the NCMO office -- by myself -- from 4PM until 12AM for five days a week. There were 7 black phones and 2 red phones. One of the red phones connected me directly with the base commander. The other red phone connected me directly with a major satellite defense contactor located 80 miles away.

The black phones rang continuously. I had to answer the phones by myself. The large command room was surrounded by white boards that I had to write on. I had to manage and keep track of all the maintenance being performed on Flightline Radar, Radio, Communications Equipment, the Air Traffic Control Tower, and the Satellites up in space. This job was very difficult, and the pressure was intense. Many

times I had to wake up the base commander in the middle of the night to give him an urgent briefing. I became very good at this job. I had to work in this office for 13 months. I was very glad when it was over. I was only 21 years old.

After being honorably discharged from the military, I worked at several electronic corporations near Dallas, Texas. One corporation had a Russian Nuclear Physicist who escaped from Russia. I worked directly with this man to develop new equipment used for treating breast cancer at Baylor University. This is only a small part of my resume. I'll spare you from the rest.

I've been building marketing systems for over 24 years. I've seen everything and done everything with marketing strategies.

BUT something very special happened in 1993. I and many others experienced great success with one sensible marketing system. Unfortunately, the owner ended everything after about a year -- and ruined it for everyone.

That simple system has haunted me for 20 years.

Yes, I've had many exceptional successes with many businesses. But - I've never seen so many people make so much money so quickly than with that one brilliantly simple system.

With ALL of my past experiences and abilities -- I have worked to re-create that unique system once again.

Frankly, I'd been considering re-creating that system for many years -- but I did not want to take on the burden of it all.

Even though the system is simple for participants, for me to set it all up was a GREAT TASK. There were many problems that had to be solved. The technical infrastructure for this system is immense...to put it mildly.

But I made the decision to do it - and here it is. I believe that after you take a closer look, you'll see that nothing even comes close to it.

Most people today are never able to create a substantial income - because their income is limited to only their efforts. They are simply trading their hours of work for someone else's dollars.

As long as your income is limited to what you can personally earn with your own two hands, then creating wealth will be difficult - if not impossible.

The Billionaire J. Paul Getty said it best, ***"I'd rather earn 1% from the efforts of a hundred people than I would a 100% from my own efforts."***

Read that again. Let it sink in. He's talking about **LEVERAGE**.

It's all about what you can do for others and how well you can attract and build your own network of people. This network can give you the applied LEVERAGE that you need to earn more money.

## **The Network is the MODEL.**

Corporate people and business owners understand how important it is to build a network of people. Most of us don't even realize that we all have networks of people that we've developed throughout our lives.

For example -- if you work for a company, you contribute in some way to build their network. But who benefits from that network? YES, it's the company owners who get wealthy because of this network.

### **Here's a business model based on a corporate pay structure.**

**Level 1** - the working people who build and sell the product.

**Level 2** - the management team that manages it all.

**Level 3** - the OWNERS of the company.

There are only 3 levels in this traditional corporate payout structure. Everyone (at

every level) is involved in building a large network. Realize that this network makes the company owners very rich at the top level of the payout structure. Those at the lower levels earn less money.

So...here's the important question. ***Are you going to continue to make somebody else rich by building their network? Or - are you going to change the way you do things?***

100 years ago, 75% of the population was self-employed. What do you do when you're self-employed? You create a network of people who labor to create the product -- and people who do the selling. You make more money by owning your own business and creating your own network.

Most businesses require too much money to start up. That's the problem for most people. However, the money to start this business is very small, compared to thousands of dollars it would take to set up any kind of traditional business.

## **Let's talk about the importance of \$1,000.**

If you were to take away \$1,000 from the people in America, what do you think would happen to them? Many of them would lose their homes or cars. Many of them could not endure the sacrifice of losing \$1,000 out of their budget.

***Consider that if it's that important to not lose \$1,000, how much more important is it to gain \$1,000 or more?***

***What would an additional \$1,000 or more do for those same people?***

If you work to build your own network of people with this business, you could earn a whole lot more than \$1,000. The good news is -- you can continue to work at your current occupation while you're building your network.

Every single day, thousands of dollars in orders flow into my office. I have already generated unbelievable profits with my special products.

**These products:**

- (1)...are in high demand and have a great interest to almost everyone.
- (2)...are extremely well received.
- (3)...have a high perceived value.
- (4)...are already manufactured and ready to sell with no hassles.
- (5)...are proven to make money.

Many people struggle with their own marketing business because they don't know what to sell, and how to create effective marketing tools that really work to generate consistent sales. But what if these obstacles could instantly be removed? I've already done that for you.

As a 20+ year master marketer, I understand exactly what many new marketers want and need:

**a “ready-to-make-money-now pre-packaged, everything included simple fast start dealership system” -- which also includes low-cost marketing tools that work, and straight-forward instructions.**

Yes, everything is handed to you on a silver platter.

**My Three-Level Publisher's Profit Plan is the Real Alternative for Failing Marketer's - because of:**

- ◆ Only THREE LEVELS.
- ◆ Applies STRONG LEVERAGE paying a \$100 COMMISSION ON LEVEL 3 .
- ◆ You can have an UNLIMITED NUMBER

**OF DEALERS ON YOUR 1ST LEVEL.**

- ◆ One-Time-Purchase. No ongoing monthly purchases.
- ◆ You AUTOMATICALLY BECOME A DEALER with the purchase of my System 8 product.
- ◆ This 3-Level structure provides for FASTER AND LARGER INCOMES than other programs.
- ◆ IT TAKES FEWER PARTICIPANTS AND LESS TIME TO EARN SERIOUS BIG MONEY.
- ◆ Just mail a few postcards each day and Generate a Growing Stream of Income.

**I have a business model here that is based on the same 3 level corporate payout structure.**

**Executive Dealers can share in the profits that their dealers produce.**

You receive commissions on three levels when individuals like yourself purchase my System 8 product. All commissions earned from this 3-level plan are based on the sales of my product.

Level 1 Pays \$50 →	Level 1	3	6	9 ⇒
Level 2 Pays \$60 →	Level 2	9	36	81
Level 3 Pays \$100 →	Level 3	27	216	729
<b>Pays Down 3 LEVELS Unlimited Width</b>	<i>Potential Growth &amp; Income</i>	<b>39 People</b> \$3,390	<b>258 People</b> \$ ???	<b>819 People</b> \$ ???

With my Three-Level Publisher's Profit Plan, you'll be earning **\$50 on Level One** from your own efforts. Then you'll be applying massive LEVERAGE while earning **\$60 on Level Two** and **\$100 on Level Three** from the efforts of possibly hundreds of people. *That's Powerful!*

You will be assigned a Personal ID Number for you to put on your postcards. You simply mail postcards and I'll handle everything else for you. Your referred people must use your ID Number to submit their orders. All orders will come directly to my company - you will not be bothered with them. My computer tracking software keeps track of all the money from orders received, and paychecks are mailed out every other Friday.

You start out by mailing my System postcard to opportunity seekers. The more dealers you get, the more money you can make. Thousands of marketing enthusiasts are looking for fast selling offers like mine.

## Recruit 50, 80 ...even 100 dealers.

After that, you never have to spend a cent on mailings. Just sit back like a marketing executive and collect money from the work others do. Since I fill all customer orders, you can relax and take the day off...every day.

## So...what is the System 8 product?

You can find out about the System 8 product by going to:  
<http://www.DoyleChambers.com>

**LOOK AT SYSTEM 8**

**I'll even show you how to mail POSTAGE FREE - by completely Eliminating Postage Costs. My "Free Postage Stamp System" can save you \$1,000's a year in postage.**

Within every System 8 Postcard, there is a special box that refers people to "See System 2 page on my website to learn more about how to get hundreds, or even thousands of free postage stamps".

Because everyone will be fully aware of the Free Postage Stamp System, almost everyone who is **ALREADY** promoting System 8 will also purchase the Free Postage Stamp System. Everyone will feel they will **LOSE OUT** on built-in automatic sales for the Free Postage Stamp System - if they don't order it themselves.

**IMPORTANT:** You can only earn free stamps if you have already purchased the Free Postage Stamp System yourself. This one-time purchase requirement will generate more and more free stamps for you...and every one of your dealers.

*Look at the possibilities.*

## **Here's What \$14,000 Cash and 350 FREE POSTAGE STAMPS Looks Like in 60 Days:**

**1 --** In this **EXAMPLE** - you would be selling my System 8 product priced at \$297.

**2 -- AT WEEK ONE:** You mail 500 postcards at a cost of about \$220, including all mailing costs.

**3 -- AT WEEKS TWO & THREE:** You get a 1% response out of 500. That's 5 each Level One sales @ \$50 commission) = \$250.

**4 -- AT WEEKS TWO & THREE:** Your 5 people also purchased the Free Postage Stamp System. That's 5 sales @ 70 Postage Stamps = 350 Stamps.

**5 -- AT WEEKS FOUR & FIVE:** If those 5 people also mailed 500 postcards and each of them got a 1% response, that's 25 people. THAT WOULD BE 25 ORDERS TIMES \$60 (Your Level 2 commission), WHICH EQUALS \$1,500.

### **6 -- AT WEEKS SIX & SEVEN:**

If those 25 people also mailed 500 postcards and each of them got a 1% response, that's 125 people. THAT WOULD BE 125 ORDERS TIMES \$100 (Your Level 3 commission), WHICH EQUALS \$12,500.

### **7 -- AT WEEK NINE:**

Okay. Do the math. In total - that's \$250 + \$1,500 + \$12,500 = \$14,250. After subtracting the \$220 mailing costs, you just made \$14,030 and 350 Free Postage Stamps in about 60 days.

The 3rd Level Payout gives you incredible LEVERAGE. You are earning **\$60 on Level Two** and **\$100 on Level Three** from other people's efforts, and that's why this plan works so well.

### **8 -- BUT WAIT...IT'S STILL NOT OVER YET! AT WEEK TEN: YOU MAIL MORE POSTCARDS USING THE FREE POSTAGE STAMPS!**

From this point, you simply snowball the offer until you are mailing thousands of postcards.

***What if you and your people got a response of 2% on 500 Postcards mailed...what would your NET PROFIT be?*** The answer is: GETTING BIG! Yes, there is serious money to be made here.

I know it may be hard to believe - but I average a 2% response...many times I have gotten a 4% response on these same POSTCARDS.

**What if you and your people mailed 1,000 Postcards and got a 3% response? YOU DO THE MATH.** The money made here is getting even bigger!!

**NOTE:** Because it is impossible to predict actual percentages of response on any program, the projections above could be more or less. Doyle Chambers cannot guarantee your income in this program.

**I can teach you how to build a steady stream of income that all starts from a single sale to one person.**

**Each sale you make can automatically bridge into a future upgrade sale for an additional product.**

**With my system, you can sell one product which leads people into a 2nd higher-priced product purchase.**

For many people - System 8 will be enough for them. However, for those people who want to earn even higher commissions -- I've created an OPTIONAL add-on system called "System 9".

System 9 does cost more - but you can potentially triple your commissions without doing any additional work.

**Only those people who join System 8 FIRST, can join the add-on System 9. After you experience System 8, you may want to consider joining System 9.**

Once people enter my integrated system - most will find it difficult to back out. It's built to compel forward momentum. Prospects end up selling themselves and instinctively see themselves in the driver's seat as a System 8 Dealer. The upgrade sales mechanism for an OPTIONAL Add-On System 9 is automatic and built-in.

Many people have asked, ***"Can I begin as a System 8 Dealer and wait to earn money before upgrading to purchase System 9?"***

**Yes, you can!** --- BUT you could lose commissions by waiting to upgrade into System 9.

**Here's the catch:** You can only earn dealer commissions on the specific system products you have actually purchased yourself. Non-buyers of my systems at no time are qualified as a dealer to re-sell and earn commissions on any system they have not purchased themselves.

Lots of people would be thrilled to earn a nice income retailing only System 8. These people won't take it to the next level by purchasing System 9.

**However, the serious dealers will purchase System 9 so they can earn on both System 8 and System 9 sales made through their referrals.**

Others whom you refer will be buying System 9. If you wait to upgrade into System 9, then you could lose money. There have been thousands of dollars in unpaid commissions because the referring sponsor was unqualified.

Others have asked, ***“How is it possible to promote both System 8 and System 9 products at one time?”***

All of the provided marketing tools are used to promote System 8 only. There are no marketing tools specifically for System 9. You simply use the marketing tools to promote System 8...and then System 8 will automatically do all of the work to convert people into System 9.

**When you have purchased both products, you can effectively operate your business by mailing just ONE POSTCARD or ONE SALES LETTER.**

That's right! Your referral prospects will read your Postcard or Sales Letter and go to my catalog website. After reviewing System 8, they will submit their product order. Whenever they purchase System 9, then you would start earning 3-Level commissions on System 9 (depending if you have purchased System 9 yourself).

**People line up and purchase both systems -- and then start mailing postcards and sales letters as a dual-system dealer, which generates bigger and bigger commissions for you.**

**YOU CAN GET A REFERRAL WEBSITE WITH YOUR PERSONAL ID NUMBER...**

In addition to using Postcards and Sales Letters, I also offer \*Referral Websites to help build your business. You can choose to have

a Referral Website, or not. (\*This is optional for an additional one-time setup fee).

**YOU CAN PARTICIPATE IN THE REFERRAL WEBSITE TRAFFIC CO-OP...**

A Referral Website Traffic Co-Op will be available (optional) to drive targeted traffic to the Referral Websites. We can generate the targeted traffic and “sequentially redirect” a portion of the visitors to Your Referral Website URL using an automatic sequential rotator. This Referral Website Traffic Co-op will help build your business by sending a steady stream of visitors to your Referral Website.

**My Three-Level Publisher's Profit Plan is the Perfect Add-On Program for You.**

Okay, so you're already working another type of venture or promoting a product by mail. No problem. The Three-Level Publisher's Profit Plan is the perfect Add-On Program for any venture you're currently working. That's because you can USE the income generated from this business to help support your other business ventures. And if you don't have an existing business...it's the perfect business to start all by itself.

***Isn't it time for you to get in the game?***

Prepare yourself with a real financial backup system to rely on if your job is ever swept away. There's no better business than a mail order-internet marketing business for ease of starting, low startup cost, and substantial income potential.

## ***What exactly will you receive?***

- (1) System 8 Product entitled "The Anatomy of Money Machines".
- (2) A ready-to-print Postcard and a one-page Sales Letter. Simply take them to your print shop and print as many copies as you need. Your Personal ID Number is to be inserted at the bottom of the Postcard and Sales Letter.
- (3) The right to copy my special Postcard and One-Page Sales Letter and be an authorized dealer.
- (4) Explicit instructions explaining how to do everything (including a list of mailing list sources where you can obtain good responsive names to mail to).
- (5) \*Referral Website setup with your Personal ID Number (\*This is optional for an additional one-time setup fee).

## **Consider the one-time startup cost to purchase my System 8 product and become one of my authorized dealers.**

Droves of people have paid me hundreds of dollars for dealerships on many different products. You're getting a "turn-key" direct mail promotion. All you have to do is copy and mail it.

If you're new to mail order or internet marketing, this is a great way to make money right from the start. Everything is worked out for you. Just follow the easy instructions and you can soon be making more money than many old timers.

## **Get started today. Grab hold and don't let this slip away.**

Hello, my name is Doyle Chambers. I am an extremely successful marketing entrepreneur and home business consultant.

I started my home-based publishing business back in 1989 and you will find my reputation to be rock solid.

My specialty is showing ordinary men and women - just like yourself - how to earn good money right from their homes...working in their spare time.

I generously share my knowledge and experience with serious money-minded individuals to help them get started right.

Before we go any further, I do not want to be confused with any get-rich-quick

artists. I am an established professional - and that is important for you to know.

I am going to do something right now that no one else has probably offered to do for you.

Here is my personal phone number should you have any additional questions when you've finished reading this letter.

**972-635-9407** -- You may call me between the hours of 9AM to 5PM Central Time Monday thru Saturday.

**I'VE MADE GOOD MONEY AT HOME FOR 20+ YEARS...NOW I'D LIKE TO HELP YOU!**

From personal experience, I know that most money making plans really don't work out in practice. For the past 20 years, I have spent thousands of dollars searching out and examining countless money making plans.

Literally, I have bought and tried almost every worthwhile plan I could get my hands on. After all that time and money spent, I developed several genuine money making systems that effectively show average people how to make good money from home. My proven systems also help

prevent people from wasting time, money and energy in the wrong directions.

My powerful money making systems evolved over time and extensive testing to make them the best of the best! I continue to use these same money making systems on a day to day basis to generate consistent money.

My long proven home income systems are distinctly different from other so called money making plans in a major way - **THEY DELIVER CONSISTENT RESULTS!**

My next marketing strategy was to create an Online Home Business Catalog offering my time-tested high demand money-making systems. Everything I learned from the most successful advertisers and from my own experience was distilled into the creation of my powerful consistent-order-generating Catalog.

I have come to realize that there are literally millions of potential customers for my home income systems. The demand for what I sell is so great that it is impossible for me to reach them all myself.

I wanted to reach the greatest number of people with my catalog, so in 1994 -- I designed a simplified program where serious money-minded individuals could simply mail postcards and make lots of money.

**Every other Friday, I send paychecks to people who mail postcards for me. Due to expansion, I am now looking for more people to do the same thing they're doing.**

My system of using independent mailers helps me get my Online Home Business Catalog out to many more people than I could ever reach myself.

And my participants love it too! They're able to work in the comfort of their home and receive their **PAYCHECKS IN THE MAIL!**

**This is an established program with proven, real-life results. Just think! \$150 - \$250 - \$400 - \$600 OR MORE EACH WEEK! The high profits my participants earn keeps them in my program for the long term...steady weekly paychecks!**

All you have to do is get my special postcard into the hands of opportunity seekers who are looking for a way to make money. You simply apply mailing labels and postage stamps on postcards -- and then drop them in the mail.

**A VERY HIGH PERCENTAGE OF OPPORTUNITY SEEKERS WHO READ MY SPECIAL POSTCARD WILL RESPOND INSTANTLY!**

Your Personal ID Number is on the postcard. Your prospects (who receive your postcard) will go directly to my website featuring my HOME BUSINESS CATALOG.

Soon after your prospects visit my Online Home Business Catalog, many of those people will be so excited that they will quickly place their order Online, or send their orders by FAX, -- or even "Overnight Express Mail".

I'll also answer questions via phone calls from your referral prospects. Each of your prospects are carefully converted into an actual buyer...and you get credit for their purchases.

© Copyright 1994-2010, Doyle Chambers All Rights Reserved.

When I receive orders, I know exactly who generated that order because an Affiliate ID Number is displayed on each customer order form. Each Affiliate ID Number is LINKED in the computer to each customer. If it was YOU - then YOU get a full 40% of the gross sales on anything sold...**AS MUCH AS \$398.00 FOR ONE BIG ORDER!**

**That's Right... You Can Earn Up to a \$398 Commission from Mailing a Single Postcard to the "Right" Person Who Buys Everything. As More Products Are Added to My Catalog, You'll Be Able to Earn Even More.**

The exact payment on each order will vary depending on what items are ordered. Remember -- my Catalog sells several different items. Whenever the people you refer buy my own products, your account is credited with commissions for 40% of the gross sales.

I service all customer requirements for you with no further involvement on your part. You don't have to handle any orders or collect any money yourself. My company handles all order fulfillments. **ALL YOU DO IS MAIL POSTCARDS!**

**YOU CAN START GETTING PAID EVERY OTHER FRIDAY!**

You will be an independent contractor, not an employee. No taxes will be withheld from your checks.

Because your paychecks come straight from my data processing center, you never have to wonder how you'll get paid. Everything is controlled by computer...I

will write you a check every other Friday for all orders generated from your efforts.

You may be thinking "How do I know I'll receive all my commissions under your mailing program?". The last thing I want to do is "stiff" you on any commissions you have coming to you.

My independent mailers are very important to me and I always conduct business in an ethical and fair manner - I have been doing business for over 20 years and I wouldn't have it any other way.

And besides, I know that once you see the commission checks rolling in -- you'll want to continue in my postcard mailing program.

I am in business to stay and you can be confident that I will pay you each and every commission on all orders I receive from your efforts, period. It's simple arithmetic. **I need and want you to make lots of money on a continuing basis...if you make money - I'll make money!**

You may have noticed that this letter is not written with a lot of "hype". I am not making a lot of wild and irresponsible claims. That is not the way I do business. I'm just trying to tell my story as clearly as I can.

# **I'll Set You Up with a "Turn-Key" Business...I've Already Done Everything for You - Just Copy My Success and Reap the Rewards! I Specialize in Renting Mailing Lists to a Select Group of People - Mail Order and Multi-Level Marketers!**

***You Can Get Started In This High-Profit Mailing List Business the Fastest, Easiest and Most Successful Way Possible ... My Successful Mailing List Distributors get to use THE EXACT SAME SALES TOOLS that I've used to Generate STREAMS OF CONSISTENT MONEY for Years and Years.***

As you are well aware, there are millions of people involved in mail order and multi-level marketing. Mail Order and MLM are growing at a phenomenal pace...and there is no end in sight!

**During the California Gold Rush - the shopkeepers, the saloon keepers and the hotel owners (let's not forget about those who sold picks and shovels!) were the ones who capitalized on the gold miners by providing services... and they were greatly rewarded.**

By renting mailing lists to mail order and multi-level marketers, you will be rewarded greatly, too! You can tap into this tremendous market for mailing lists too, by joining my select group of successful mailing list affiliates!

Marketers are always in need of a constant supply of good names to mail their offers to that will consistently bring them a high response rate. These marketing businesses are looking for High Quality Mailing Lists. It has been said that "the next best thing to selling stamps at your own post office is renting names to which to mail to".

I think it would surprise you to know that many people search year after year for a High Quality Mailing List but never actually find one! This creates an enormous opportunity for you!

There are many mailing list companies that will pay you 25% to 50% commissions for getting other people to rent their mailing list. For example: you send out a flyer advertising a certain mailing list company's lists and prices. The person who responds may decide to order 1000 opportunity seeker names priced at \$80. The mailing list company would send you \$40 (50%). If a person ordered 2,000 names priced at \$150, you would receive \$75 (50%).

## **THIS IS MY PLAN:**

I try to mail out at least 100 flyers which advertise a certain mailing list company's lists and prices every day! About 98% of the people who mail out mailing list company flyers make very little money. I am one of the 2% who actually does make money.

## **HERE ARE THE FOUR MAJOR STEPS TO FOLLOW TO BE SUCCESSFUL AT RENTING LISTS:**

**STEP 1:** Write to several mailing list companies and ask if they would be willing to give you a commission on each mailing list rented through your efforts. There are numerous mailing list companies to be found advertising in national opportunity magazines. Some mailing list companies offer dealerships with only a small one-time set-up fee, while others charge a yearly dealership fee from \$20 to \$150. Search out list companies and request their dealership information (if available).

Many companies have a commission program whereby you can place your name and address on their flyer and you receive your commission in advance when the orders come directly to

you - and then you forward part of the money to the company so they can fill the order.

There are also many mailing list companies that will assign you a code number that is placed in the order form within the mailing list flyer. When you mail out that flyer and a person responds with an order, that order is sent directly to the mailing list company (not to your address). The mailing list company will usually mail your commission check to you on a weekly basis for all orders received.

When working with a mailing list company that uses this code number method, you can check them out by having a friend place an order with that mailing list company using your coded flyer - and then you should receive a commission check from that mailing list company. When working with mailing list companies who use the code number method, it is important to check them out. Most are honest, but there are a few that would hold out on you.

**STEP 2:** Write a sincere, convincing letter to send with your mailing list flyer. Making the letter sincere is the key to success! People are used to receiving mailings with just a plain impersonal flyer inside. If they were to receive a personalized letter with the flyer which was extremely convincing and sincere, then you would have an excellent chance that these people would respond.

Mail order marketing is often too impersonal and if you can personalize your business, people will respond accordingly.

**Here is a sample letter that is extremely convincing and very sincere:**

*"Dear Friend, I am very impressed with this list and I believe it to be the very best mailing list available. You see, I searched long and hard to find the perfect mailing list. I contacted many people in the marketing business to learn which list would provide me with the most consistent, high-response. Of the 500 or more lists around - the one I've sent you has received the most praise! It is supposed to be the best mailing list in circulation today! I think you'll be happy with the results!!! People who use this list consistently report a high response!"*

When you write your own personalized letter,

write it in such a way that it tells the reader exactly what they want to hear. Ask yourself what would a personalized letter say to get you to rent a mailing list? Keep asking yourself that question and you will arrive at the perfect letter. Always be truthful when writing your letter. Be sincere in your letter and it will bring a good response!

Type your letter on a typewriter or a computer. You can have your Personalized Letter and Mailing List Flyer offset printed to save money.

Mail your flyers and personalized letters in regular #10 white envelopes. Be sure to use a return address on all envelopes. Hand addressing envelopes usually brings a higher response. But you may use mailing labels to work faster.

**STEP 3:** This is the most important step of all. The best mailing list to sell would be one that is not as well-known as the others, and also one that would actually bring in a high response rate for mail order marketing businesses. Try to find one with a catchy headline or title.

Remember, most people are not satisfied with their mailing list and if you sent someone a sincere, personalized letter saying that you knew of an excellent mailing list, most people in need would at least give your mailing list a try to work for them.

If you send out hundreds of mailing list flyers with a different appearance, that produces a high response and had an appealing headline or title that caught your prospects attention - there is a very good chance that they will respond with an order. Plus, if there was a sincere, convincing personalized letter included with the flyer - the chances are excellent that they will respond with an order.

It only takes me about 30 minutes to mail out 100 letters each day. You can get a local Mailing Service shop (see your Yellow Pages under "mailing service") to fold and insert the letters into envelopes for you. Then all you have to do is apply mailing labels and postage stamps on the letters - and then drop them in the mail.

Once you start making money you can have the Mailing Service shop do all the work for you. For every hundred mailing list company flyers that

you mail out, you can expect about 3 to 8 people to respond. Most of the people responding usually rent 1,000 opportunity seekers at a time. When they rent 1,000 names, you'll make approximately \$35 (depending on the mailing list company's prices and your commission percentage). You can easily average at least \$186 or more in clear profit every day.

**STEP 4:** Now concerning who to mail the mailing list flyers to - you must understand how a mailing list company works. I cannot tell you just one source to buy your names from. Mailing list companies will sell the exact same list to anywhere from 20 to 100 different people. If I told you one typical mailing list company to buy your names from, I would be doing you a disservice. If I did, there would be several people mailing to the same list of names. Within my Mailing List Affiliate Income Kit, I will provide several good sources for obtaining mailing lists.

But don't just depend on buying mailing lists to mail to. Search out and use other sources. I am very selective in choosing names to mail to, as you should be. One source I use is to look through opportunity publications and find advertisers with well written advertising. Then I mail to them.

I'll tell you how I get my best names! I write to every mailing list company that I can find. I just write them a letter and say something like this: *"I am an opportunity seeker and I'm involved in several multi-level plans. Please send me the prices for your mailing lists"*.

By using these words you will accomplish two things. First your name will automatically be placed on the mailing list. And second, the mailing list company will send you their price list.

I am currently on about 100 different mailing lists and I receive about 40 pieces of mail a day. The mail that I attract are excellent names to rent mailing lists to. I'll just keep their names in a box for about a month and let them "age". I give them time to find out that the mailing list they used produced a poor response, then I mail to them.

**The knowledge gained from**

**this information can literally be worth tens of thousands of dollars to you over the course of your lifetime! You have the advantages of my experiences I have divulged.**

**I propose that you consider starting a small mailing list rental enterprise which you can launch easily, inexpensively and quickly - and then "grow it" to whatever size you wish - just as others whom I've helped have done!**

**Why struggle to try and search out a mailing list company to represent that will only supply you with stale, unconvincing sales materials that may not be proven to pull in orders for you! My sales materials are time tested and proven to consistently pull in the most orders in the shortest amount of time!**

**You only need to COPY what I'm doing EXACTLY as I'M DOING IT TODAY! YOU GET TO USE THE VERY SAME HIGHLY-CONVINCING SALES MATERIALS THAT I PERSONALLY MAIL OUT EVERY DAY!**

My sales material consistently pulls in orders like a FIELD OF WILDFLOWERS ATTRACTS SWARMS OF HUNGRY BEES! Yes, it took years of persistent testing to make that a reality.

You can easily benefit from my hard work. When you put your eyes on my powerful sales materials (the exact same flyer and sales letter that you will be using), you'll understand instantly how my system will quickly start making money for you!

**OR - INSTEAD OF MAILING MY POWERFUL SALES LETTER, YOU MAY DECIDE TO MAIL A PROVEN, ORDER-GENERATING POSTCARD THAT I WILL PROVIDE...IT'S YOUR CHOICE.**

This plan is simple! It would be hard to make a mistake if you tried. I don't care if you are a High School Drop-Out, a Retired Senior Citizen, or anything in between...my system will work for you!

**EVERYTHING COMES COMPLETE AND READY TO GO!**

What I offer is not a fad. It has been in huge demand for decades and the demand is ever-increasing!

The opportunity is so vast that no-one will be in competition with me or you. Rest assured that the money you can make with this plan is long lasting...as long as you want to work the plan you'll continue to pull in the money! A steady flow of money for a LIFETIME!

**Imagine having a project that will NEVER stop making money for you!**

I'd say that it takes about an hour to put the wheels in motion. I believe this is the sweetest little money-making system you could ever imagine...the fastest way to legally and honestly make lots of money!

Very few people (about one in one hundred thousand) know the proper way to CASH IN on it, in this very simple manner I'll share with you!

# All I Do Is Mail Out The Exact Same Mailers Every Day From The Comfort Of My Home...That Is All I Do!

***For Many Years Now - I Have Generated At Least \$214 A Day Real Profit Using My Special Home Mailing System! There Is NOT An Easier Or Simpler Way To Make \$214 A Day Than This - There Can't Be - IT'S IMPOSSIBLE!***

How could anything possibly be easier than mailing out the exact same mailers every day? It is not dumb luck or just by chance that I generate \$214 every single solitary day. All I do is mail out the exact same mailers every day! That is all I do. It is that simple! It just makes sense that if I have been generating \$214 a day for years and years by mailing out the exact same mailers every day, then I should continue to pull in \$214 a day for every day that I choose to mail out those mailers!

**AND BEFORE YOU JUMP TO ANY WRONG CONCLUSIONS** - let me tell you straight out - There is absolutely no crazy gimmick involved here I promise you. This has nothing whatsoever to do with any ridiculous envelope stuffing program, illegal chain letter scam or worthless multi-level scheme. And if you have assumed that this whole system is nothing more than a sales letter to be mailed out with nothing of **MAJOR SUBSTANCE** behind it - you are definitely mistaken. This proven system is built around **TRUE VALUE** and a sensible, time-enduring marketing approach!

Hello, my name is Doyle Chambers. I provide "business systems" so valuable that people all over the country pay me thousands of dollars to **LEARN HOW TO DO WHAT I'VE BEEN DOING FOR YEARS**. Mine is NOT some "made up story". I uncovered through relentless digging how to generate an incredible **PERMANENT CASH FLOW** from a powerful system. I will reveal to you the truth about a money making system that is going to put money in your pocket year after year...*permanent cash!* I've already taught thousands of people techniques that most people either ignore or simply don't know. Those people are now putting these simple concepts into practice and are drastically increasing their daily incomes working only a few hours each day. *My system can transform you into one of those people who consistently succeed.*

First, let me tell you the brief story as to how I came to develop my extraordinary system. One day back in 1978, I was thumbing through the daily newspaper. I came upon a very interesting full page advertisement written by a man who found a way to get completely out of debt in only a few months time (*and he owed thousands*). In the process of getting out of debt, he discovered a way to consistently earn more money than he could possibly spend. **THAT GOT MY ATTENTION!**

Earlier in my life at eighteen, everyone was telling me to get a good job, progress with my skills and move up the ladder to eventually earn more money. This plainly did not make

sense to me at the young age of eighteen. Here's why. I started asking every adult I knew - how much money they made, what they did for a living, and how long they had been working at the same job. *Their answers were very perplexing.* It's as though they were sleepwalking through their own lives. They weren't paying attention. Very few of them made more than \$40K a year working 40 hours a week. And those few who did earn that \$40K salary were deep in debt struggling to keep their heads above water...and yet they still continued to spend more money than they earned...buying everything in sight just to keep up with their friends and neighbors who led the insane rat race. It was clear to me that the problem was.

**THE PROBLEM:** These people *SOMEHOW FORGOT* that they live in **AMERICA** - a land of untold riches filled with **MILLIONAIRES IN ALL 50 STATES!** These people just settled into a mediocre job and accepted whatever that job would pay them.

**THE SOLUTION: EARN MORE MONEY THAN YOU CAN POSSIBLY SPEND!!!** But how could a person do that...If you followed the traditional prescription...it led to a job, a low standard of living, massive on-going debt, and little or no savings. How could a person conquer these huge problems...when almost everyone you know lives day to day trapped in these same problems throughout their entire lifetime. I knew the destination - **"TO EARN MORE MONEY THAN I COULD POSSIBLY SPEND"** - but I had no clearly defined roadmap to get me there.

Now...let's get back to the man with the full page newspaper ad. After reading the ad several times, I sent \$10 for the book and anxiously awaited its arrival. It finally came and I blew through the book in 4 hours. That guy totally shocked me with his overwhelming knowledge. I had never heard such things...all based on sensible concepts that clearly would work if someone just took the diligent effort to put them into action. *That book set the stage of my life...but regrettably it*

*wasn't until many years later that I finally took action with what I had learned from that extraordinary man.*

As an American living in a country fueled by a **GIGANTIC CONSUMER SPENDING FORCE**, your key purpose should be to find out how to market yourself and ultimately evolve into a **MASTER MARKETER** so you can cause money to flow to you all your life. Look around. TV, Newspapers, Magazines, Radio, the Internet - they all exist because of the gigantic consumer spending force. If one is paying attention, they would realize that the **BEST** and **ONLY** game to play in this country is that of a "Master Marketer". A formal education will buy you a job earning \$30K to \$40K per year, but when you are taught a sound marketing system, your chances of creating personal financial independence are greatly magnified. No matter how educated or smart you may be, if you don't have the inside scoop on how to make money through a time-enduring marketing system, you are going to flounder around in mediocrity, never making any serious money. *The only real security you can have is from learning how to **GENERATE YOUR OWN MONEY THROUGH A SYSTEM** - because once you know how - you can do it again and again. NO ONE COULD TAKE THAT ABILITY FROM YOU!*

The vast majority of people who attempt to make money through mail order marketing **FAIL**. Too many people are relying on out-dated books and advice from so called "experts" who made their living doing something else and giving advice on the side (instead of making their living doing what they tell you to do). 99% of all mail order marketing books tell you about some, NOT ALL, of the pieces of the marketing puzzle and then leave you to make your own decision as to which "fork in the road" to take - which leads to failure.

When I first started my marketing business, I bought the usual training books and programs and followed the directions. It didn't work. I couldn't make any money doing it the prescribed way. Later on, I found out how flawed those old worn-out methods were - and exactly why they didn't - and couldn't work in today's marketplace. This is why most people who try mail order marketing fail - and fail fast and hard. The old ways won't work. Not now. Not ever again. That's why my first years of business were a horrible struggle. It took a great deal of work to uncover the relevant knowledge and the wisdom to apply it. Consequently, I made every mistake possible. Over the passing years - my frustration continued to grow because I desperately wanted to "earn more money than I could possibly spend". I tried to look at the

overall picture. I did some serious thinking, while reviewing what I had been doing the past couple of years. I did what most people aren't willing to do. I worked around the clock. In my research, I kept extensive notes on all the programs I tried and reviewed...their merits and their drawbacks. I spent years of time and thousands of dollars on projects that I thought would make money. Some lost, some broke even, and some made a little (not enough) money. In looking hard at all of these plans, I knew something important was missing. It's almost as though the creators of those plans got to a certain point - thought they had the money making formula complete, and then quit. They failed to realize that by adding one or two more missing components to their overall systems - they could have drastically improved their money-generating potential. *By combining a few concepts I'd seen used by experienced marketers, I came upon my partially complete money making formula. I tested it and refined it - and kept on testing the performance of my crude little system.* That's when I hit on something outrageously profitable. I **FINALLY UNCOVERED THE SIMPLE ANSWERS THAT I'D BEEN WRESTLING WITH ALL THOSE YEARS.** These master techniques are virtually unknown and when they are combined into one solid, hard-hitting mechanism - **IT IS UNSTOPPABLE! IT MADE A HUGE DIFFERENCE!** Only a very few marketers have stumbled onto it...but almost all of them did not know how to effectively master its use. All of my earlier marketing approaches slowly evolved into **ONE** highly effective monster money system. I've refined and constantly updated my system through actual usage over the last 19 years. Anytime I came across a problem, I ironed it out by figuring out how to effectively deal with it. By methodical research and systematic testing, I have developed a system that goes to work automatically for me...attracting and pulling in **"MORE MONEY THAN I CAN POSSIBLY SPEND!"**.

Early on...I didn't know what to expect when I put my system into action. It wasn't long before my little mailbox at my house **WOULD NOT HOLD ALL THE MAIL...**so the mailman had to knock on my door to hand deliver all the incoming cash orders. So then I had a friend of mine build a huge wooden mailbox for me. I remember him laughing - calling it "a doghouse mounted on the front porch wall". But as my business grew rapidly - that huge wooden mailbox wouldn't hold all the mail...and the mailman (again) had to start knocking on the door. I didn't want the mailman to be burdened with hand delivering all of my mail to the house - so I got a post office box so I could pick the mail up myself at the post office. I didn't "make up" this story - it really happened! *And from that point on...I have been astounded by the continuous daily mail filled with cash orders from people all across the country wanting to know how I conquered the American Dream!*

I am just an individual who desperately wanted to start and build my own profitable mail order marketing business. I have developed into a very serious marketer and I've learned from all of my mistakes as well as my successes. I capitalized on those

techniques that worked well and then continued to modify them to make them even better so they would produce consistent results.

Nothing is easier than operating my system. I get up every morning and drive to the post office to get my mail. After I get back home, I sit down at my desk, open the mail and take out all the money. I then make out a deposit slip. Later, I'm off to the bank to make my deposit. Because of my complete system, I own my day. All day. Every day. The day is mine to do as I please. It's a fabulous feeling of freedom. Today, I've got it made. You see, no matter what I do - travel, work around my house, play my guitar, relax by my pool, visit friends and family, whatever - *at least \$214 a day arrives in my mailbox.* What's more, I've been taking in that kind of money for 19 solid years. If I choose, I can keep all that money (and more) coming in every day for life. *Another thing...I rarely spend more than 20 hours a week to keep everything humming along.*

I've been on the cutting edge of **"THE EASIEST BUSINESS ON THE PLANET"** for 20+ years. So what you'll get from me is - **UNQUESTIONABLE VALUE** - NOT some worthless collection of scatterbrain ideas. I don't sell half-baked business plans. What you can always expect from me is only *the Highest Quality workable systems for success.* I take pride in presenting a system that I know will work and produce the results I say it will. Very few people are as qualified as I am to give you the facts about making money with mail order marketing. Remember, I make my living from this system - it supports me and my family in style to this day...and has since I began using it. *How many other advertisers can honestly make that claim?*

Evidence of my reliable system is the many, many testimonials I've received from action-oriented people who've launched my **PERMANENT CASH FLOW SYSTEM** and let it go to work producing a consistent daily income for them. Don't just think that all this is some kind of "far out fantasy" that only works for others and can't possibly happen for you too - **BECAUSE IT REALLY CAN!!!** I have found a way to transfer and inject years of money making knowledge and experience into you, in a rapid, crystal-clear manner. *I have totally eliminated the need for you to go through a trial and error type training.* No confusion...a clear-cut, beaten down path so you'll know

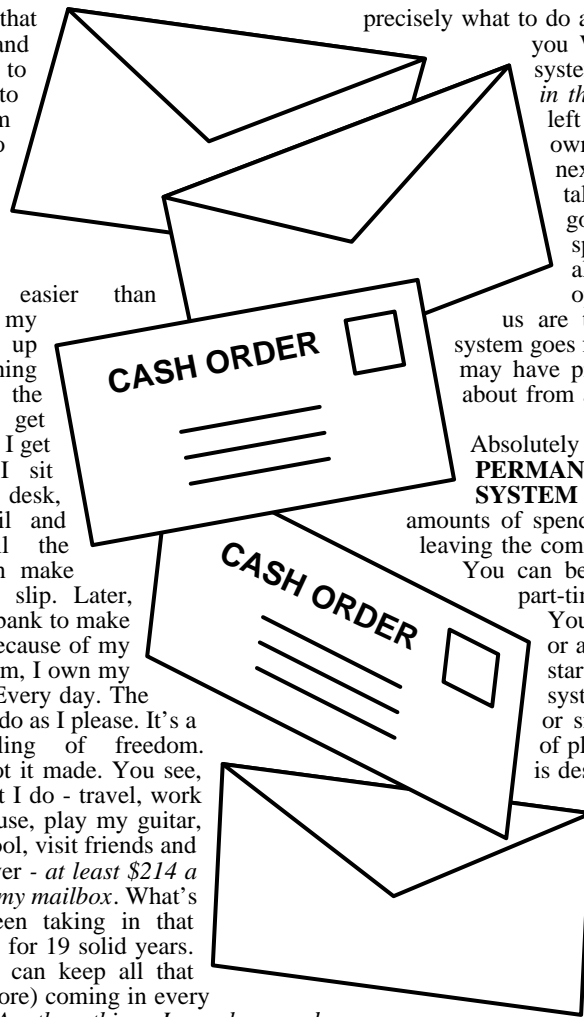

precisely what to do and when to do it. What you **WILL NOT** find in my system is a bunch of "forks in the road" where you are left hanging to make your own decisions as to the next direction you will take. This system is governed by some very specific rules which are almost completely the opposite of what most of us are taught to believe. This system goes far beyond anything you may have previously read or heard about from anyone else.

Absolutely **ANYONE** can use my **PERMANENT CASH FLOW SYSTEM** to create unlimited amounts of spendable cash without ever leaving the comfort of their own home! You can begin to use this system part-time, shoestring style.

You don't need a computer or any special equipment to start. You may operate this system from any city, large or small, even the remotest of places. This entire system is designed for one person to easily handle. *My system is capable of producing \$214 and more daily without overworking yourself along the way.* It's legal and moral in every sense of the word. The public demand for what you

will offer is never-ending, always unlimited, and forever expanding in scope. Its earning power will never decrease or weaken. *This is a safe, reliable, real life system to get rich gradually...and grow, and GROW, and GROW!* After you see the results, you'll be convinced that the only thing standing between you and substantial profit is...**REPETITION!!!** All you need is some room on the dining table and a little up-front cash to get the machine rolling! There's nothing more thrilling than opening your mailbox jammed with letters! **A MOUNTAIN PILE OF LETTERS FOR YOU TO OPEN...AND EACH ONE CONTAINING MONEY ORDERS AND CHECKS ALL MADE OUT TO YOU!** All you need to do is mail out special mailers, check your mailbox, and then go to the bank! Once you launch this system, no one will ever be able to "pull the rug out from under you", because you will masterfully control the system. **JUST PUT THIS MARKETING SYSTEM INTO PLACE...AND IT DOES ALL OF THE WORK FOR YOU!**

Look, I want you to understand that **EVERYTHING** I am telling you is the absolute truth. But how do you know - and I mean really know - that what I'm telling you is true. I'll be straight with you. You don't. The fact is - until you get my system to review, you're still bound to have some doubts. To this, let me say - there comes a time in everyone's life when you have to "go out on a limb" and trust someone. Because until you do - you'll never move ahead in life.

I'm here to do everything I possibly can to make sure you reach your financial goals. I make myself available to you. Not only do you get my proven system - you also get me to talk to - to answer questions - to guide you in the right direction. Put a price on that - you can't! I am absolutely serious about this promise. You will be working for yourself - but NOT ALONE by yourself. I'll be there when you need me. Period. I've learned to help people with a personal touch in all I do. I lay "all of my cards out on the table" for all to see and study - so serious individuals can ultimately move into a position of SELF-RELIANCE by learning and applying master marketer strategies to get on top of life...and stay there!

So there are no misunderstandings - I don't want you to think there is no effort involved with this system. The world doesn't work that way. People who expect something for nothing usually get nothing. I'm not interested in sharing this powerful system with anyone who is not truly serious about making the changes in their life with what I will teach. **TRUE SECURITY COMES FROM YOUR ABILITY TO TAKE ACTION!**

Like many others, you may be caught-up working a job you don't like, but you just keep going, out of habit and necessity. Too many people have learned to live on what their jobs are willing to pay...always being plagued by outer circumstances over which they have absolutely no control. Look around. People are withering in their routinely boring lifestyle. They all settle for less. *Normal jobs limit your income.* You may be in trouble later in life...maybe very soon...by staying with ONLY a job. I believe that being in business for yourself is actually easier, mentally and physically, than working in a dead-end job for someone else. I'll show you exactly how to get out of that life-draining "40-Year Job Plan" and start working smart for yourself.

**THIS LETTER IS AN URGENT ATTEMPT TO REACH YOU - TO SHAKE YOU UP!** You now have a real shot at unlimited free time and a non-stop daily cash flow! Let's face it, The ONLY WAY to have enough time or freedom to really enjoy life is to have money coming in consistently. Once I show you how to rapidly generate cash using a practical, intelligent, but simple system - you'll be able to pay cash for everything from here on out. The freedom and security knowing that you can produce an income for yourself AT ANY TIME is the

greatest! *Many others are doing it right this minute...they are staying home and making more money in one single day than most people with a job make in one week!*

Begin NOW in your spare time to start-up a home-operated venture...then grow it as big as you want. Start with whatever resources you now have and take the first step. All you need is - BELIEF IN YOURSELF...enough to take a chance. Enough to put my system into ACTION! *If you do just that - the results will be ASTOUNDING!*

Unlike most greenhorn entrepreneurs, I do not resort to outlandish money-back guarantees and no such policy is expressed or implied.

**MY SYSTEM HAS ALWAYS ATTRACTED ONLY THE MOST SERIOUS MONEY MINDED INDIVIDUALS WHO RECOGNIZE THE HIGH VALUE OF A GENUINE LIFETIME HOME INCOME-GENERATING OPERATION** - because frankly - anyone who puts this quality system into motion will be set for life! Many entrepreneurs will needlessly spend the rest of their lives applying ineffective, old-world marketing ploys that consistently fail...over and over. Don't stumble around on a hit or miss course that will lead to frustration, disappointment and losses. Stop throwing your money away on hopeless mail order promotions and worthless MLM money-pits. **JOIN THE SELECT FEW BY PUTTING THIS PERMANENT CASH FLOW SYSTEM TO WORK FOR YOU!** You can quickly use this unique, high-impact strategy that will give you the edge you need...to create a continuous income!

I believe I can save you the more than 19 years and the thousands of dollars it took me to learn the secrets of "EARNING MORE MONEY THAN YOU CAN POSSIBLY SPEND"! You can keep on searching...trying one flimsy program after another until all your patience and resources are expended - OR - **YOU CAN DRASTICALLY ACCELERATE YOUR SUCCESS AND INCOME WITH MY PERMANENT CASH FLOW SYSTEM!** Don't try to figure it out all by yourself. I'll be your active partner and mentor...so you can be successful right from the start. Let me be perfectly candid. I feel strongly about this system. I do not need your money as much as you need what I have to

offer. The ridiculously small price that I'm asking does not even come close to matching the enormous value that I provide with this system. I'm not trying to make a fast buck by selling you information - *I am looking for people I can work with on a long-term basis.*

**ARE YOU READY TO TURN YOUR MAILBOX INTO AN OVERFLOWING CASHBOX WITH LOADS OF MAIL BRIMMING WITH CHECKS AND MONEY ORDERS COMING TO YOU EACH DAY?**

I guarantee that you will never tire of the thrill of going to your mailbox

EVERYDAY to see how much money people sent you today! **PEOPLE**

**FROM ALL ACROSS THE COUNTRY WILL BE SENDING YOU PILES OF CHECKS AND MONEY**

**ORDERS - ALL MADE OUT TO YOU - EVERY SINGLE DAY!** I'll show you how to start from wherever you are now, with whatever resources you now have available to you - and transport you to a larger life...a life where you can "EARN MORE MONEY THAN YOU CAN POSSIBLY SPEND"!

You may be thinking, "If I pass this up, I'll save the purchase price which I can really use right now.". But consider the alternative. Sixty days from now - **YOU COULD BE WELL ON YOUR WAY TO A LIFETIME OF FINANCIAL SECURITY AND INDEPENDENCE** - OR - You could have saved the small purchase price (which will probably be spent on something you won't even remember) and all your money problems will be exactly the same if not worse. Others are making themselves substantial daily fortunes right now. **YOU CAN TOO!** But you must act **RIGHT NOW!** Today - NOT Tomorrow! **RIGHT NOW!!!** *Financial security is not a waiting game.* You owe it to your future to take a hard look at what I've got. If what I've said makes sense to you, then I urge you to order today. Don't waste another second on indecision. Get serious and write me. Don't even lay this letter down until you fill out the order form - then mail it to me quickly along with your remittance. I know you'll have a hard time sleeping the night after you find this system in your mailbox! You'll probably sit up half the night planning a new life!

# **We've Spent Years Developing And Perfecting A Powerful System Proven To Sign-Up Hundreds Of People Into Any MLM Program...And Generate Lots Of Up-Front Cash, Too!**

***While it has been widely known that the marketing concepts called MLM or Multilevel Marketing have been used by folks to acquire a lot of wealth, for the VAST MAJORITY it has not been that easy. That is, UNTIL NOW!***

You see - most people try the 'traditional' methods in running their MLM business. They rent lists and make mailings of the MLM programs. They place ads in MLM publications and follow up with letters and mailers. They try recruiting on the phone, try MLM meetings and even attempt to sign-up friends, neighbors and relatives.

If you ever tried these methods, you know firsthand that they do not work that well. After experiencing lots of pain, frustration and loss, many turn to ways that seem a lot better - the 'downline builders', the 'co-op advertising gimmicks' and the 'portfolio' concepts. We've conducted interviews, surveys and a lot of research regarding MLM methods, techniques, strategies and...ALL OF THE ABOVE METHODS DO NOT SEEM TO WORK THAT WELL!

That may come to no surprise to you! IF you have ever tried them you know this to be true. Okay, we know that MLM has problems but...WHAT CAN YOU DO ABOUT IT?

Our carefully conducted research spanned over 20 years time. Through the process we encountered many people. Some were making huge sums of money! Others were barely getting by and the VAST MAJORITY were...LOSING MONEY BY THE TRUCK FULL!

Even worse, most people continually drudge along doing those very same things that have proven not to work that well! They think "perhaps it was the list I used". They may remark - "The mailer just didn't pull that well" or "The ad was not that good". They go from one thing -

to another and never realize that all those methods combined were not as good as the methods shared with us by some of the super successful!

Sadly enough, some folks go on for YEARS losing money!

If they only knew about the little known 'secret' methods shared and used by a select few! We researched and interviewed and made phone calls and sent a constant flurry of correspondence. The goal...

**FIND OUT WHAT THE ABSOLUTE BEST, LOWEST COST, MOST EFFECTIVE AND EASIEST METHODS, TECHNIQUES AND STRATEGIES WERE AND THEN COMPILE THEM INTO A HARD-HITTING SYSTEM!!!**

The results were conclusive! Several techniques, methods and strategies seemed head and shoulders above the rest! They turned out to be EASIER, LOWER COST, MORE EFFECTIVE and MANY TIMES MORE POWERFUL than those unprofitable 'traditional' methods like mass mailings, placing ads, etc..  
**We call it - "The POWER MLM SYSTEM".**

**WHATEVER MLM PROGRAM YOU ARE NOW WORKING - HERE'S THE FASTEST AND EASIEST WAY TO RECRUIT ALL THE PEOPLE YOU WANT INTO YOUR DOWNLINE! YOU'LL HAVE HUNDREDS OF DOLLARS IN YOUR MAILBOX EVERY DAY...PLUS YOU WILL AUTOMATICALLY BUILD LASTING AND EVER-GROWING RESIDUAL INCOME!**

Knowing some of the 'secrets' were coming straight from a select few who seemed like they were using them to become very wealthy, we decided to try them! Do they WORK? Man'o man do they EVER!!!

The methods we found, tried and used worked very well and are extremely professional and not in the least other than totally honest, ethical and

absolutely realistic! Due to special requests, we have created this system for anyone who wants to use these power methods. Our hard-hitting system can help you...TURBOCHARGE YOUR MLM INCOME!!!

That's right - use these INVINCIBLE techniques with your existing MLM program(s) and see for yourself! No bull! No gimmicks! Just the most incredible, fool-proof system for making it big in MLM!

We'd be foolish to turn this POWER MLM SYSTEM loose without a 'sales pitch' for you to take a look at the program WE USE with this POWERHOUSE SYSTEM! After all, would you consider letting information out to the public and KNOWING WHAT IT CAN MEAN TO THEM to have these 'secret methods' on their side WITHOUT at least getting them on your side? See our point! It is not a requirement for you to join us! Using YOUR OWN PROGRAM is okay!

***Prepare yourself to learn the most potent and the most convincing techniques, strategies and methods known! People can actually be sending you checks and money orders on a daily basis...made out to YOU!***

Besides that UP-FRONT PROFIT, people will be very receptive to the MLM program you recommend....residual income!

**You profit two ways! And, the best part is...this lucrative system works with ANY MLM PROGRAM.**

Plus, it's easy to duplicate. Your downline can easily do it too...so your bonus check grows fast! Once you receive this POWER MLM SYSTEM, you can begin cashing in immediately!

# **The POWER MLM SYSTEM Solves The Single Biggest Problem That We All Face When Trying To Promote An MLM Business On A Shoe-String Budget...How To Create A Cash Flow FAST...UP-FRONT... SO YOU CAN EXPAND YOUR BUSINESS!**

You may be asking yourself "Do these methods actually work?" You be the judge! Consider all those folks out there involved in the MLM business who sadly enough, continue doing the 'traditional' things that have been PROVEN to not work that well!

How many people do you ACTUALLY KNOW that have made it BIG TIME from mass mailings of MLM literature? A handful? One? A couple of 'lucky' ones? How many folks are making it BIG TIME placing ads in MLM publications? Have you ever tried either of these methods? Did they work for you?

Ever wonder WHY EXACTLY most of the 'traditional methods' do not work that well? Consider this: When you place ads in MLM publications several things happen. Your audience consists of MLM people who are ALREADY INVOLVED in a MLM program that THEY FEEL IS THE BEST THERE IS!

Only a tiny percentage of your readers will be IN NEED of a program at the point in time they read your ad! You will find it hard to convince the people who are ALREADY INVOLVED in a MLM program that YOURS IS BETTER! Same thing holds true with mass mailings! Most of the folks who receive the mailing from you ARE ALREADY in a MLM program that THEY THINK is the one for them! The LAST THING they want to see or read about is some other MLM program! Think about it - it makes sense!

Let's make an analogy here. Suppose your MLM prospect was walking through the desert for three days with no water! The LAST THING they need is... MORE SAND! When you try to 'sell' them a bag of sand - your chances of making the sale are two, slim and none. They ALREADY HAVE ENOUGH of what you are selling! You can't sell a bag of sand to someone in the desert. Now, after three days - the prospect certainly has several needs! No, you wouldn't even consider trying to sell a bag of sand! You would

have to ZERO IN on what EXACTLY your prospect needs at the time! They would need...WATER!

What if you could sell them a nice, cold, refreshing glass of SPRING WATER? Take it a step further - all those folks who receive the MLM mailings and read the ads placed in MLM publications are ALREADY INVOLVED IN A MLM PROGRAM (just like our character already has enough sand) so you wouldn't even think of trying to sell another MLM program now would you? Many people make this FINANCIALLY FATAL mistake! They try to sell sand instead of water to thirsty prospects!

That is a rather simple analogy but it sure DRIVES HOME THE POINT of WHY those 'traditional' MLM methods do not work that well, doesn't it? Sure does! By sending MLM programs to MLM people - it is like trying to sell sand to someone stuck in the desert!

Fortunately for you, by ordering this POWER MLM SYSTEM, you will be learning and using the MOST POWERFUL methods that can be thought of as the 'selling of water' to a thirsty person who's stuck in the desert! We'll show you the techniques, strategies and methods that will absolutely blow your mind!

The Power MLM System will show you (in extreme detail) how to HAVE PEOPLE PAY YOU to promote and build your business. The largest companies in the world are raking in thousands of dollars weekly using this simple method. Just think about that...How much could you promote your business if you could actually make a huge profit doing it? STARTING ON A SHOE-STRING BUDGET, this system will bring in hundreds of people into YOUR MLM Organization...WHILE MAKING UP-FRONT MONEY to sustain your efforts so you can continue to GROW and EXPAND your business!

**Ignorance is dreadfully expensive. Lack of the correct information keeps you locked into poor results...an endless struggle...throwing your hard earned money away doing all of the wrong things.**

The Right Knowledge...in the form of a complete system...can create a secure on-going money source for you! Don't throw any more money away on things that do not work. I've already worked out all of the problems for you...so you can completely avoid all the dumb mistakes so many people make. No matter how much raw marketing information you may receive from other promoters - whether it costs \$50, \$100 or even \$500 - unless it is molded and shaped into one complete targeting system, it is useless...and actually has no value.

Once you see and truly understand the simplicity and common sense of my complete system, you'll have all the shortcuts to reach your cash flow goals within a fraction of the time and effort that it took me. Accelerated learning procedures have been incorporated into my system with simple, precise steps that will eliminate frustrating guesswork and also remove all the risk out of the operation. I have opened up and revealed everything. It's extremely well prepared. The minute you turn the first page you'll be convinced beyond all doubt. There are also some surprises in my system that I can't even put a value on. Nothing I've ever seen **EVEN COMES CLOSE!** It has taken me over 20 years to boil it down to one system.

The system I use projects a sales message so effective that it triggers an immediate response and enables me to convert a high percentage of people into cash paying customers...hundreds of dollars daily in up-front cash while creating lifetime residual income at the same time. It is so convincingly persuasive that most people are drawn in by the message and...find it hard to

refuse. My system will go to work for you immediately to get you the people you need for your MLM downline and **MAKE YOU MONEY NOW!** People will actually be paying you to build your MLM business!

It's much easier and far cheaper to learn from the experience of others who have already done it! Experience has to be paid for with blood, sweat, money and lots and lots of time. You can drastically speed up your journey by gaining from my many years of experience and thousands of dollars spent, for only a fraction of what it would cost you in time and money to learn on your own. The Truth is...if I were to charge what my one complete system is really worth, most people would not be able to afford it. **HOWEVER**, I've priced The Power MLM System so you **CAN'T AFFORD NOT TO GET IT TODAY!** The choice is simple. You can continue to spend thousands of dollars over the next 10 years - **OR** - You can part with a few bucks to pay me for having already done it! The smart way to prosper is to learn from someone who has already **FOUGHT THE BATTLES...AND WON!!!**

Unlike most greenhorn entrepreneurs, I do not resort to outlandish money-back guarantees and no such policy is expressed or implied. My system has always attracted only the most serious money-minded individuals who recognize the high value of a genuine lifetime home income-generating system. Not one person in fifty-thousand knows about this unique system...and that's why it's so valuable!

If you want to make big money in America that continues year after year, you've got to have something people want or need, and you've got to have a plan of action. I'll prove to you that America is still the land of opportunity for the little guy. The money is out there for the taking, and I will provide you with a plan of action to get it! **I CAN SET YOU UP WITH A RELIABLE HOME INCOME SYSTEM THAT WILL RAKE IN CONSTANT MONEY FOR YEARS TO COME!**

Hello, my name is Doyle Chambers. I am a home business consultant and an extremely successful marketing entrepreneur. My specialty is showing "everyday people" how to start highly profitable home businesses of their own with little investment. I've seen so many starry-eyed beginners start and fail miserably. I remember how tough it was for me. That's why I generously share my knowledge and experience with serious money-minded individuals to help them get started right. Before we go any further, I do not want to be confused with any get-rich-quick artists.

I am an established professional - and that is important for you to know. If you need to talk with me personally, my private telephone number is included with my system.

But before I tell you about my system, let me tell you a brief story how everything started. After coming home from the Air Force, I had a hard time playing the game of life. I had a good job at a major corporation...and I earned good money. Every day, I would go to work and something kept ticking in the back of my mind about how I hated my job. My feelings about the job got worse. So I quit...and then I had to get another job quickly to pay the bills. I did get another job. It was easy. And do you know what happened next? I quit that job too (after only one month). Don't get me wrong. I was an excellent worker...in fact, all of the employers really liked and respected me. **I HAD A PROBLEM...A SERIOUS PROBLEM. I WAS SABOTAGING MYSELF.** I went through five more jobs doing the same thing. Even though *I did good work, I was irresponsible because I kept quitting my job - and I was miserable because of it.*

**I JUST COULD NOT WORK FOR SOMEONE ELSE. I HAD TO WORK FOR MYSELF.** So I attempted to do just that. I placed an ad in the local newspaper to do odd jobs. I was a highly trained electro-mechanical technician at my previous jobs, so surely I could do odd jobs. I did a few repair jobs...I hated it. I tried selling some ridiculous toy birds at a flea market...that was embarrassing. I kept on trying one ridiculous thing after another trying to make money. Then I attended college on the G.I. Bill and lived in poverty. After 4 years of college, I got my diploma.

But, I still had no solution to my problem - "How was I going to make a living and work for myself?". It got bad. I had to borrow money to pay the bills. I didn't make up this story...it was my life. I had turned my life upside down - and it was entirely my own fault. **I CAUSED THE DISASTER BY REFUSING TO WORK FOR SOMEONE ELSE.**

**I HAD TO CHANGE SOMETHING...FAST!** Out of intense desperation - I was forced to start thinking. Luckily, I read a mind-shaking book that was on my father's bookshelf. That book totally prepared my mind for what I was about to do. I remembered a special marketing book that I purchased years earlier while I was in the Air Force. I read it...and it fueled my mind. I WAS DRIVEN. I could think of nothing else. Even though I still had no money - I was excited for the first time in a long, long time. I launched out and made it happen. That was over 19 years ago. I shake my head when I think back to what a struggle my life was. Since then, I've never set foot in a regular job because of developing and using my unique system. **IN FACT, MY SYSTEM WAS BORN BECAUSE I REFUSED TO WORK FOR SOMEONE ELSE.**

With my new beginning (over 20 years ago!), I tried every money-making idea on the market - but nothing worked for me. The cost of buying so many money-making plans added up and took nearly all of my money. It wasn't that I had spent such an incredible amount of money that bothered me. What did bother me was - I couldn't find someone who really was successful to be my mentor. **I NEEDED SOMEONE WHO WAS WILLING TO TAKE THE TIME AND SHOW ME A WAY OF REALLY "MAKING IT".**

I wouldn't have hesitated to spend triple the money I had already lost. *All I really knew was - I didn't want to live the rest of my life rushing to work for someone else. So I kept searching.* My persistence and desire finally brought me to a few highly successful individuals whom I could learn from. They took the time to help me and I am forever grateful. **THESE HIGHLY SUCCESSFUL ENTREPRENEURS TOTALLY CHANGED MY WAY OF THINKING, MY LIFE AND MY INCOME FOR THE BETTER. I LEARNED IT'S NOT ALWAYS WHAT YOU KNOW, IT'S ALSO WHO YOU KNOW.** Over time, my marketing experience developed slowly and surely. Once I made up my mind that I must become successful with my home business, the answers began to unfold. I pushed myself to realize my dream.

Much like putting a jig-saw puzzle together, certain revelations gradually came together. **ONCE I DISCOVERED THIS POWERFUL MONEY MAKING SYSTEM, THE AWESOME POWER AND POTENTIAL HIT ME LIKE A BOMB! NOW IT'S RAINING MONEY ALL OVER ME!** What I discovered allowed me to activate a huge money making system that will go to work for me the rest of my life. There is nothing magical about it - it's all "know-how" and anyone can learn to do it! I discovered people were hungry for what I had to offer, and were prepared to pay good money for it.

**IT WAS THE START OF A NEW CAREER FOR ME...WORKING AT HOME - RIGHT ON THE KITCHEN TABLE, JUST 4 HOURS A DAY. I WAS SHOCKED BY ALL THE MONEY COMING IN DAY AFTER DAY.** At last...I quit beating my head against the wall and began to work smart. I finally figured out the truth about how to make incredible amounts of money...virtually every day. You should realize that it took me years of trial and error to figure out this system. I became obsessed with finding a way to make money in this business. I devoted many long months to testing and keeping track of everything. Once I put together everything and analyzed it, I found out exactly what methods to use to get more people to respond. These techniques produced the same incredible results...**EVERY SINGLE TIME!** It paid off very big! **I FOUND A WAY TO DRASTICALLY INCREASE MY INCOME FROM MY HOME BUSINESS SYSTEM!** In short, I developed a FAILPROOF, FOOLPROOF Method of generating big money in mail order where **EVERYONE ELSE** had failed. The people who obtain this information will have an almost **"UNFAIR ADVANTAGE"** over everyone else in mail order. You'll pile up a small fortune (while less informed people are losing money).

*I continue to use this same money-making system on a day-to-day basis to generate consistent money.* **MY LONG PROVEN HOME INCOME SYSTEM IS DISTINCTLY DIFFERENT FROM OTHER SO CALLED MONEY-MAKING PLANS IN A MAJOR WAY - IT DELIVERS CONSISTENT RESULTS!** After many years of being in business for myself, I am letting go of inside information that has made literally thousands of individuals financially independent. **IT WILL DO THE SAME FOR YOU!** I've pooled all of my factual know-how and learned enough from my mistakes to eliminate most pitfalls. Every step has been tested by me personally - so I'm able to tell you exactly how everything works.

If you are willing to put in a few hours of *"pleasant work"*, at a desk or table in your home, then this is your opportunity to turn your life around. It will take the average person about 5 to 8 hours of work. It can be done all at once, an hour a day or however long you choose to complete the work. **MANY PEOPLE WILL BE ABLE TO COMPLETE THE WORK IN ONLY A COUPLE OF HOURS.** It's so easy I shouldn't even call it working. One nice thing about my system is that once you have done the small amount of *"pleasant work"* - **THAT'S IT! THERE IS NO MORE WORK TO DO WITH IT!** My plan is a step-by-step blueprint that any person with average intelligence can follow. **ANYONE THAT FOLLOWS THIS DETAILED INFORMATION WILL BECOME FINANCIALLY INDEPENDENT! IT HAS TO BE!** You **CANNOT FAIL** to make big money using this system! After looking over my plan, you will clearly see that it is impossible to **NOT** be successful! Without a doubt, when you follow my system, **YOU WILL MAKE LARGE AMOUNTS OF MONEY QUICKER AND EASIER THAN YOU EVER THOUGHT POSSIBLE!** I understand that this may be hard for you to believe. You've had your hopes up before only to come crashing down. I've spent thousands of hours developing and perfecting this unique system so that **ANYONE** can do it successfully! **I'VE MADE GOOD MONEY FOR YEARS...AND NOW I'D LIKE TO HELP YOU START GENERATING BIG MONEY WITH A RELIABLE HOME INCOME SYSTEM!**

You can run this business right from the comfort and privacy of your own home or apartment without it interfering with your present job or family life! In fact, **YOU WILL NEVER NEED TO HAVE PERSONAL CONTACT WITH ANYBODY AT ANY TIME**

**TO START EARNING UP TO \$930 A WEEK AND MORE!**

You can be young or old...live in a big city or small town - it just does not matter. This business **WILL NOT** go out of style and the market **WILL NOT** change or disappear. This is a system that will keep producing income for a lifetime! **NO BUSINESS WILL STAND THIS TEST OF TIME!** You will **NEVER** be competing with me or **ANYONE ELSE** for that matter! **EVERY SINGLE YEAR** there are **LITERALLY MILLIONS OF NEW PEOPLE** throughout the entire U.S. who are **DYING** to get their hands on **WHAT YOU WILL HAVE TO OFFER!**...You'll be giving these people something they **WANT** and **DESPERATELY NEED!** People all across the U.S. will be **URGENTLY RUSHING TO SEND YOU THEIR MONEY!**

The beauty of my system is that it takes very little money to get started and generates profits almost instantly! **I CAN SHOW YOU HOW TO START WITH JUST \$40 AND TURN IT INTO AN AMAZING BUSINESS THAT PULLS IN \$155 EVERY DAY!** *It brings lasting income!* I've done just that and you will too! My system is worth \$930 a week income to whoever uses it! This

plan is for intelligent people who want to be their own boss and build their own business into as big an empire as they choose. **THE SKY IS THE LIMIT! BY NO MEANS IS \$930 A WEEK ALL YOU CAN MAKE.** It depends solely on your initiative and motivation. I won't kid you, my system will require a few hours of your time each day to operate. You just don't get something for nothing. To get and do the things you want in life you must be motivated enough to call the shots. You can really get rich by applying just a little effort. **ANYONE,** I mean anyone with a measure of ambition and persistence can succeed using my system.

[DoyleChambers.com](http://DoyleChambers.com)

**PICTURE, IF YOU WILL, CHECKS AND MONEY ORDERS SPREAD ALL OVER YOUR LIVING ROOM TABLE...JUST REMOVED FROM TODAY'S MAIL!** This system delivers instant cash for you every day of the week (except Sunday!). A select group of individuals, **WORKING FROM THEIR HOMES,** have already discovered the **YEAR-ROUND CASH PRODUCING POTENTIAL** of using my System. **IT WILL WORK FOR ANYONE!** Best of all, the huge demand virtually insures you an income that never stops...**PEOPLE WILL LINE-UP TO SEND YOU THEIR MONEY...THEY REALLY WILL!**

My life changed after I took control and today I set my own hours and usually work only about 20 hours a week. NOW I do what I want, WHEN I want to do it. All of this was possible for me because of my **AMAZING HOME-BUSINESS DISCOVERY!** At first it all seemed so incredibly simple. **I DID THE SMALL AMOUNT OF "PLEASANT WORK" NECESSARY AND THEN I WATCHED MY MAILBOX LIKE A HAWK. THE MONEY FROM THAT POINT ON SIMPLY ROLLED IN...POURED IN! I COULDN'T BELIEVE HOW EASY IT WAS.** Once I learned the secrets, my business grew rapidly! *Through times of recession and inflation my little enterprise brings in a handsome living...and it will certainly continue throughout my lifetime!*

It is my hope that after reading this letter your intuition is giving you a positive feeling about my unique money making system. A feeling that tells you that finally, you have found a legitimate money-making business. One that can drastically improve your financial situation. Forget about the few bucks I'm asking for my proven system. Consider just how much a man with my background could charge, per hour for consultation: \$200, \$500,

for a complete session? Information doesn't come cheap if it is **VALUABLE INFORMATION BASED ON SUCCESS** and not unproven theory. You will be getting my comprehensive success blueprint, my very private secrets, that I have worked successfully for years. **I'LL "WALK" YOU THROUGH THE PROCESS FROM BEGINNING TO END, WHAT TO DO FIRST, WHAT TO DO NEXT AND SO ON.** I tell you exactly how I do it - because that's what works. That's what made me a success. After looking over my package, you will quickly realize just how powerful my system is. The cost of my system is a small price to pay...when your day-to-day life can be changed for the better.

Unlike most greenhorn entrepreneurs, I do not resort to outlandish money-back guarantees and no such policy is expressed or implied. **MY SYSTEM HAS ALWAYS ATTRACTED ONLY THE MOST SERIOUS MONEY-MINDED INDIVIDUALS WHO RECOGNIZE THE HIGH VALUE OF A GENUINE LIFETIME HOME INCOME GENERATING OPERATION** - because frankly - anyone who puts this quality system into motion will be set for life! Many entrepreneurs will needlessly spend the rest of their lives applying ineffective, old-world marketing ploys that consistently fail...over and over. Don't stumble around on a hit or miss course that will lead to frustration, disappointment and losses. Stop throwing your money away on hopeless mail order promotions and worthless MLM money-pits. **JOIN THE SELECT FEW BY PUTTING THIS SIMPLE HOME INCOME SYSTEM TO WORK FOR YOU!** You can quickly use this unique, high-impact strategy that will give you the edge you need...to create a continuous income!

Most people **WANT** to be rich. Most people **INTEND** to be rich...**SOMEDAY!** But the years slip by and nothing much happens in their life...and then one day they wake up at retirement age - and they have no money. *What happened to these people?* The answer is: **THEY HAD NO PLAN!** They wanted to become rich, but they didn't know how. So, most people live out their entire lives dreaming about **"EASY STREET"**, but without the faintest idea of how to get there. **THE SAD FACT IS - MOST OF US DON'T KNOW HOW TO SUCCEED BECAUSE WE'RE PROGRAMMED TO FAIL.** If I had dismissed the first ideas for my system as only *"a pipedream"* - I would not be where I am today. Please consider this...Risk is part of life - and if you don't risk - you are ultimately doomed to stay where you are in life. And just staying where you are...not growing because you refuse to take moderate risks...is paying the highest price of all. **SUCCESS-MINDED PEOPLE ALWAYS TAKE ACTION!**

I'm going to show you **A PLAN** to beat the established job trap. **I'M GOING TO SHOW YOU HOW YOU CAN HAVE ALL THE MONEY YOU'LL EVER NEED TO DO ALL THE THINGS THAT YOU WANT TO DO.** *When you read my system - you're mind is going to be spinning for a month!* I created this system and then continued to add layer upon layer of my detailed experiences. I kept on blazing the trail leaving no stone unturned. **MY COMMITMENT LEVEL WAS "DO OR DIE!"** I burned all other bridges and there was no where else to go. **MY SYSTEM HAD TO CONSISTENTLY PERFORM AND PRODUCE EXPECTED RESULTS!**

**THIS SYSTEM IS SO POWERFUL AND EASY TO USE, THE DUPLICATION EFFECT CAN START SNOWBALLING INTO GIGANTIC PROPORTIONS VERY QUICKLY! IT IS THE ABSOLUTE BEST METHOD TO CREATE LONG-TERM**

**WEALTH...PUTTING YOU LIGHTYEARS AHEAD OF THE COMPETITION.**

This is your chance to grow - become independent - have the extra things other people enjoy. **TAKE ACTION AND FOLLOW YOUR DREAMS NOW!** This is the information that will bring you financial prosperity for the rest of your life! Convince yourself if you feel hesitant. You cannot afford to miss out. *I will even be available to guide you and answer all your questions on any aspect of my system.*

**WHEN IT COMES TO MAKING CONSISTENT MONEY, THERE IS NOTHING MORE IMPORTANT THAN GAINING GUIDANCE FROM SOMEONE WHO HAS THE EXPERIENCE... SOMEONE WHO'S "BEEN THERE". PAYING MONEY FOR SOMEONE ELSE'S MONEY MAKING SYSTEM...PARTICULARLY WHEN IT IS BASED ON YEARS OF SUCCESS WITH ONE SYSTEM...IS MONEY WELL SPENT. I HAVE A STRONG FEELING THAT NOTHING ELSE YOU WILL EVER BUY WILL RETURN SO MUCH!** I'm going to ask you to make the best investment you've ever made. Order this proven **SIMPLE HOME INCOME SYSTEM** and put in the little effort that it does take and you will live like I do. My system will give you the same freedom. Stop wasting your life working so hard and for someone else.

*My Upfront Cash System can provide you with practically unlimited capital to promote your chosen business...*

**I Can Plug You Into An UpFront Cash System That Consistently Generates Daily Cash And Reels-In All The People You Need To Build And Sustain Your Ever-Growing Business!**

Most likely, all of these points are TRUE statements concerning your past efforts:

1. You have lost money on advertising before.
2. You never know until afterwards if your ad will work or not.
3. The cost of advertising slows you down.
4. If you had an unlimited advertising budget, you could make the kind of money you need.

**IT'S A FACT: THE NUMBER ONE REASON WHY PEOPLE FAIL IN BUSINESS IS -- THE LACK OF MONEY!**

People who fail don't have enough cash flow coming in to be able to effectively continue with their business. This is especially true during the extremely critical start-up period of any business. If a person can't make it over that "hump", they're doomed to failure.

**In order for a promotion of your business to cost you nothing, it would have to PAY FOR ITSELF -- right? In other words, it would have to be "SELF FUNDING"!**

**The way to make all the money you want in ANY business would be with a SELF FUNDING PROMOTION. Think about it.**

**What if you could make other people pay your advertising costs?**

*Just imagine how many prospects you could reach.*

With an unlimited advertising budget, you could literally get your sales message out to the world. Everyone would know about your business. Your name would be FIRST in the minds of the people who matter most - your customers!

**A mass advertising campaign would suddenly be available for you to use as you saw fit.**

Customers would respond in droves. And you'd never again have to say, "I can't afford to advertise there!" Net result? Your business would turn into one giant cash register.

...Sound like a dream?

For most people that's all it is. But it doesn't have to be that way for you. Not if you know how to use Upfront Cash Strategies the way I will teach you.

## WHAT IS AN UPFRONT CASH STRATEGY?

Let's start with what it isn't...

- ◆ It's not a form of free advertising. Most free advertising is only free because it wasn't worth anything to begin with.
- ◆ It's not a Co-Op where you get together a group of people to all "go in" on an ad - and then split the cost.
- ◆ It's not a back-end, follow up offer.
- ◆ And it doesn't have anything to do with Discount Advertising or any other form of cost cutting bundles.

An Upfront Cash Strategy does so much more than just pay for itself. It pays for the continued growth of your business. A true Upfront Cash System actually brings you a continual income stream **JUST FROM THE ADVERTISEMENT ITSELF!**

Did you understand what I just said? An Upfront Cash System brings you continual income just from the advertisement itself.

*Have you ever heard of getting paid to advertise? An Upfront Cash Strategy makes you money 3 different ways:*

**1.** It saves you the "out of pocket" expense of paying for all your own advertising. Say you were promoting a \$300 product. Normally you'd have to target your market, select the appropriate media and then pay the cost of advertising out of your own

pocket. An Upfront Cash System does away with all that.

**2.** An Upfront Cash System gives you a **continuing income stream** above and beyond what you can expect from the sale of the actual product you're using the Upfront Cash System for in the first place.

Let me make this clear...there's the Upfront Cash System -- and there's the product you are promoting. **YOU MAKE MONEY OFF BOTH!**

**3.** An Upfront Cash System increases sales over any other form of advertising. **You will automatically achieve a higher conversion rate of turning inquiries into sales. It works better than any other method of advertising you can possibly offer.** The reason for this is -- the Upfront Cash System establishes the best possible selling relationship.

Where your normal sales message is limited due to the cost of advertising space, an Upfront Cash System gives you as much time as you need to communicate your unique selling advantage. **And the beauty of all this is the prospect is paying for it!**

## WHY YOU NEED UPFRONT CASH STRATEGIES:

Let's not "beat around the bush". You need Upfront Cash Strategies because you're in the business of making money, not losing it.

Upfront Cash Strategies give you everything good about advertising - without the cost.

**You get:**

**EXPOSURE.** Your ads will go to the maximum number of prospects.

**REPETITION.** Your prospects will see your ads over and over again.

**INVOLVEMENT.** Because of the unique nature of Upfront Cash System, your prospects will be more involved with reading, using and re-using your advertising.

**TARGETED PROSPECTS.** Your Upfront Cash System only goes to prospects with a proven track record of buying products like yours.

**CONVERSION RATE.** It isn't uncommon to achieve a 20% or even higher rate of sales.

**INCOME STREAM.** Other forms of advertising only offer returns after the sale. A Upfront Cash System brings a financial retrun before the sale.

**Why do you need an Upfront Cash System? Because it's the only way you can be sure to make money -- not lose it.**

## WHAT IS THE WORST BUSINESS PROBLEM YOU HAVE?

**You need a constant flow of new customers.**

That's what makes the cost of advertising such a problem. How are you supposed to make a profit when it costs so much money to advertise?

Currently you have to come up with the money out of your own pocket each and every time you advertise. It's a risk...a risk you "believe" you have to take if you want your business to grow.

But I've got news for you. If you know how to do it correctly, it's virtually a sure thing that you'll make money.

**The real solution is to eliminate the cost of advertising while still getting the benefits of what advertising can do for you.**

## COST = RISK!

Get rid of the cost and you've eliminated your risk. Otherwise, the cost of advertising alone can kill your business or moneymaking program. Lack of capital is the single biggest reason for business failure. So why not attack the problem of your advertising costs before it attacks you?

## WHO I AM AND WHY AM I PRESENTING THIS TO YOU...

My name is Doyle Chambers and in some ways I'm a lot like you. I struggled and struggled to make money. All I wanted was a little more control over my lifestyle. But even though I worked long and hard at doing "all the right things" in my advertising -- I consistently lost money. In fact, I lost tens of thousands of dollars.

The biggest frustration I had was the lack of any information or techniques which applied exactly to my situation. Everything I read either assumed I had unlimited cash, or acted like making money was easy. I'd go through whole books and maybe find a few paragraphs which vaguely related to what I was going through.

I finally came to the startling realization that the individual small businessperson like myself was basically left in the dark on purpose. Most of the "how-to" information we get offered is only meant to get our money. Not help us! And if you're wondering if I'm right, just look at a few pages of ads in any business opportunity magazine. **There's a big difference between what really works in advertising and the type of so called "solutions" you and I are routinely offered.**

So what I did was carefully study what the most successful, highest paid business experts actually did...**NOT WHAT THEY SAID THEY DID!**

What I discovered is as fascinating as it is exciting. I'll give you one hint...**consistently successful businesspeople do not pay for their own advertising.**

What does that tell you? Well, it better tell you why you should purchase your own Upfront Cash System! That's why I'm presenting it to you.

Is that straightforward enough for you? The reason I'm so confident you need the Upfront Cash System should be obvious.

**PAYING FOR ALL OF YOUR OWN MARKETING EXPENSES IS FINANCIAL SUICIDE.**

So...as long as all of the money for advertising is coming out of your own pocket, you are at risk. You! Maybe you'll profit...and maybe you won't. But the question you have to ask yourself is - can I afford to lose?

*Here's an even better question... What is the value of an advertising system which shows you how to take all the risk out of your own advertising?*

**The Upfront Cash System shows you -- step by step -- how to create and profit from your own system. It's simple, direct and easy to use. For the first time, you'll be able to make the money you need.**

**You Can Mail Postcards and Earn \$50 On Every Sale of the Upfront Cash System!**

**There are only two qualifications:**

Many years ago, I met a man named Robert who became very wealthy "somehow". After many months of pleading with Robert to tell me "how" he did it, he finally agreed to reveal his method in exchange for \$500 cash.

I was disappointed because I didn't have such a sizable sum of money. **BUT I JUST HAD TO KNOW HIS METHOD.**

So I worked at odd jobs for 3 months earning only part of the \$500. I had to borrow the rest.

When I gave Robert my \$500 cash, he handed me a few sheets of paper on which he'd written down his complete method.

Then he said - *"Doyle, I've just sold you some very valuable information. What you do with this powerful information is entirely up to you."*

Those few sheets of paper were the turning point for me. Something unexpected happened when I paid Robert my hard earned money. It changed me. Because I paid good money for the information, I respected what the information was ready to give to me.

□

I took the information within my heart and mind, so I could use it. I now had a clear path to follow. I forced myself to follow each step. With each completed step, I became more confident. It helped me to not only become an accomplished doer, but more importantly -- a finisher.

□

I really don't believe that Robert's information would have done me any good unless I had paid for the information. When you pay money for something - it has a far greater value than something obtained for free.

□

Yes, paying Robert my money was one of the best things I've ever done. After acting on what I had learned in those few sheets of paper -- my life changed in countless ways. It made me a powerful finisher of important matters in all areas of my life.

mindset is turning people into slaves. The average household credit card debt in America is \$8,000. Don't be fooled. What you need is a real debt-elimination plan - NOT a debt consolidation plan. I have developed a sensible system for paying off all of your credit cards and other high-interest loans as fast as possible. When you use this system, you'll finally have the feeling of being in control of your life. You'll systematically be working to eliminate your debt while controlling your spending. I've helped many people to get completely out of debt - and I can help you too. ITEM # 1018

**LEARN HOW TO CONVINCE PROSPECTS WHO ARE RELUCTANT TO JOIN YOUR MLM TO HELP YOU BUILD YOUR BUSINESS.** Sometimes your prospects are sitting on the fence and reluctant to join. I'll show you a technique I learned from a 25 year MLM-veteran to get those prospects to take action. Those prospects will do something for you that can make your MLM business explode. All you have to do is ask them. Your prospects will become intensely involved. And you will be able to build a fast moving downline of excited people. ITEM # 1019

**LEARN 50 WAYS TO MAKE MORE MONEY IN MLM.** These 50 methods are so important to your success that I'll give you permission to copy this action plan and give it to everyone in your MLM organization. By using these methods, you and your entire downline will know exactly what to do - and what not to do. ITEM # 1020

**LEARN HOW TO QUICKLY END CREDITOR HARRASSMENT LETTERS, PHONE CALLS AND EMBARRASSMENT.** You must understand that you have rights under federal law concerning debt collectors and the companies that they work for. I'll provide you with a special letter to send to debt collectors. This letter will stop them cold...no more phone calls or harrassing letters. This is entirely legal. Before you mail the letter, I'll refer you to federal law so you can prove it's legal to yourself. Maybe you need this letter or someone you know is being hounded night and day by ruthless debt collectors. Now you'll have a tool to work for you. ITEM # 1021

**LEARN 15 STRATEGIES FOR SUCCESS WITH MLM.** This action plan is a vital planning schedule with specific steps. If you follow these steps, you'll become a leader that everyone will want to follow. You'll instantly be emulating the most successful MLM professionals in the industry. Learn it, follow it, and you will succeed in MLM. ITEM # 1022

**LEARN HOW TO MAKE YOUR CLASSIFIED AD WORK BETTER THAN A DISPLAY AD.** In the beginning, I came up with a classified ad idea that bugged me until I eventually tried it. I tested it. It worked extremely well. It actually worked better than most advertiser's small display ads. It makes perfect sense. Nobody uses this because they all continue in the usual rut. This ad technique works no matter what you are promoting. ITEM # 1023

**LEARN HOW TO ELIMINATE YOUR MORTGAGE DEBT IN 5 TO 7 YEARS USING ONLY THE MONEY YOU ARE CURRENTLY EARNING.** Almost everyone must get a mortgage to purchase a home. What people don't realize is that they will end up paying the bank \$3 for every \$1 they borrow. After paying 15 years on a 30 year loan, the bank still controls 90 percent of the mortgage. I got mad about this and paid off my mortgage years ago. Your mortgage company is draining your lifelong personal wealth away from you. My mortgage debt elimination system will give you the understanding, the method and the "fire in the belly" to get it done. This action plan works along with action plan #1018. You've heard about this before. But my system is deep. It's all about YOU ending up in total control of your life and beating any financial attack that is played against you. Using my system, your mortgage will be gone in 5 to 7 years using only the money you are currently earning. The end of debt is near. ITEM # 1024

**YOU MUST USE THIS TOOL EFFECTIVELY IN ALL OF YOUR MLM MAILINGS OR YOU WILL MOST LIKELY FAIL.** One thing that you include in your mailing piece will determine your success or failure. Apparently most people don't know because it's missing from their mailing piece. This missing component will boost your response

more than anything else. It will greatly increase your name recognition and help you sign up hundreds of new people by providing the ultimate downline support system. You must have it or you will fail. ITEM # 1025

**LEARN HOW TO PROMOTE ANY BUSINESS FOR VIRTUALLY NO COST USING THE BEST ADVERTISING METHOD IN THE WORLD.** The most important task of all businesses is to generate more new customers and increase repeat sales from their current customers. Advertising is expensive and most forms of advertising are ineffective. This advertising system is unique and makes good sense to all concerned. Everyone benefits. The system is complete with all the details so you can start using it immediately to increase your sales and generate more money. ITEM # 1026

**LEARN HOW TO SAVE MONEY SYSTEMATICALLY, ELIMINATE NEEDLESS SPENDING, AND INVEST MONEY QUICKLY.** In 1937, a successful advertising executive once told his story about how he had worked hard for many years and earned over one million dollars. His only regret was that he spent all of his money. He said that he could have easily saved 10 percent of it. But he lavishly spent all the money he earned, plus more. And he was deep in debt. This is the same story told by countless people who save nothing - and end up deep in debt. They all have the spending habit - instead of the saving habit. I developed a unique system for saving money. In fact, my wife once did a full presentation of my system in her college economics class. After she finished, the economics professor and the students begged her for a written copy of my system. The secret is - you must set up everything correctly so you can (1) capture your money to save it, (2) eliminate needless spending, and (3) quickly invest the money. The self-serving banks have confused everyone. I will give you a clear roadmap that will change your life in countless positive ways. ITEM # 1027

**LEARN HOW TO CONVINCE AN UNDECIDED PROSPECT TO JOIN YOUR MLM BUSINESS RIGHT NOW.** I have personally used this method for years.

**LEARN HOW YOU CAN BUILD A LARGE DOWNLINE WITHOUT SPENDING A LOT OF MONEY AND TIME MAILING THOUSANDS AND THOUSANDS OF LETTERS.** Building by mail is most effective when you (1) find prospects interested in working by mail and (2) enroll a large percentage of these prospects...without going broke in the process. ITEM # 1029

The really powerful thing about my special tool is that you know how much money you have available right now, and in the projected weeks and months ahead. Plus, you'll know about the future expenses for the upcoming months. With this capability, you can truly manage and control your finances and have less stress. ITEM # 1030

**LEARN HOW TO USE A SIMPLE TOOL TO KNOW FOR SURE HOW WELL YOUR ADVERTISING IS WORKING...AND WHAT TO DO IF IT ISN'T.** Maybe you've heard that some advertising publishers circulate their publication to

fewer people than they say they will. Maybe you've heard that an ad placed in one particular publication out pulls an ad placed in another publication. None of that matters to me. What matters is: "How much did it cost me to get the response." I will give you the tool and methods I use to know for sure how well your advertising is working. It is critical to understand what to do and when to do it. ITEM # 1031

**OBTAIN MY COMPLETE VOICE MAIL MLM SPONSORING SYSTEM WHICH INCLUDES 8 POWERFUL CLASSIFIED ADS THAT YOU MAY USE TO PROMOTE ANY MLM BUSINESS.** I've used this same system for years. I've had to change voice mail companies several times because they couldn't handle all the calls. One time, a voice mail company said the callers from my ad was clogging their entire Dallas voice mail system. They said when their other voice mail customers called, they couldn't even get through to check their personal messages. And my ad did NOT have a 800 toll-free number...it was not a free call for prospects. That voice mail company terminated me with no advance warning. This is a true story. I guess you could say that my system actually works too well. It won't hurt me if you decide to use it. So, I'm making this system available to others. ITEM # 1032

Their scare tactic is - "YOU MUST HAVE DIVERSITY INSIDE OF A MUTUAL FUND". The billionaire investor Warren B. said, "*Diversification is protection against ignorance. It makes very little sense for those who know what they're doing.*" I learned how to invest and what to invest in from the man described in action plan #1034. In this action plan, you'll learn the important reasons why mutual funds are actually preventing you from building personal wealth. ITEM # 1033

## WHAT IS THE PROBLEM?

Many big list companies give you a fantastic sales pitch on how they spend large amounts of money every year to obtain their name lists through advertising inquiries in major opportunity magazines, etc.... But, what type of ad promotion did their inquiries respond to: The vast majority of the inquiries have never been exposed to multi-level mailing programs. Even if these people did join your multi-level program...how much of an asset would they be to you?

Believe me... I know! My name is DOYLE CHAMBERS. I've recruited hundreds of these neophytes into multi-level mailing programs! These beginners cannot grasp the fact that one must mail out thousands of mailing pieces on a consistent basis in order to be successful. It was very frustrating for me as it is for many other serious mailers!

million names of "serious mailers". I now use these names myself to recruit multi-level participants. The people on this list can be a great asset to you because they already understand the large volume of mailings and consistent effort it takes to make a multi-level program successful!

With over Two million names available, everyone won't be mailing to the same names. This name list source does not have to over-sell their names to a lot of people (unlike many small mailing list companies) because they have such a large number of names...which is ever increasing with the addition of new names daily! The computer insures that there are no duplicate names. The undeliverables are constantly weeded out to insure the cleanest possible list. All names come to you on peel & stick labels in random zip code order.

Folks, I'm just like you! I'm a multi-level enthusiast - not just someone who rents name lists with little regard for the results that you'll receive. As I said before, I personally use these names for the multi-level programs I'm involved with!

# **START SIGNING-UP SERIOUS MLM PEOPLE INTO YOUR MLM PROGRAM CONSISTENTLY!**

Dear Multi-Level Mailer:

**Are you experiencing a slowdown in new sign-ups for the multi-level program you are promoting?** If you are, it is most likely due to an over-saturated market! I myself, a person who advertises, receive 20 to 30 of the same programs in the mail each week from many different people. The "regular well-known" mailing lists are sold many times over, which can cause you to fail miserably. **What we all need are new responsive names.** There are thousands and thousands of these new prospects each and every day! **Many of these people are just waiting for the super opportunity that you are involved in!**

The mailing list source that I've located, after many years of searching, have the names that we are all looking for! **My purpose in finding a good name list source was to insure my own success in a particular multi-level program, as well as the success of the people in my downline.** After all, what good is it if you are able to easily sign-up new people...when your downline people struggle to recruit new people in an over-saturated market using tired, over-worked name lists? **The name list source, that I personally use, has a very large amount of names (over 2 million) - and they continue to receive thousands upon thousands of new names each week.** *I believe this is the very best list available!*

**Success in mail order multi-level is keyed more to the QUALITY of the list you use RATHER THAN the quantity you mail. Why risk throwing away hundreds of dollars on printing and postage by trying to save a few bucks on a cheap unresponsive list. Choose your list wisely!**

These are not just "names", but ambitious men and women who are waiting to join and start building your MLM downline. **They are doers!** They already understand the MLM concept and are already convinced it's their road to independence and wealth. This is the most responsive list you'll ever mail to. **The people on this list truly believe they can make money in a direct mail based MLM program...if they could just find the "right" one.** It's not uncommon to hear someone tell me their hot offer got 5%, 7% or even an 11% response from this list! A test of 1,000, 2,000 or more will convince you, and you'll be back for more. The majority of our customers come back month after month for more names.

**By using this excellent name list source, I continually receive phone calls every day from motivated prospects who join my programs.** These people are just dying to join a good money-making program! By the way, I think it would surprise you to know that one of my best programs is now reaching the point of being over-saturated, yet I still continue to recruit new people steadily. **Of course, this name list works great with ANY AND ALL PROGRAMS, provided you have a good quality program to offer!**

**P.S.** We're certainly aware of the fact that you want and need your mailing list orders ***FAST!!!*** I assure you that we give all mailing list orders ***TOP PRIORITY*** above all things! Orders are processed ***QUICKLY....so you can get your names fast - and be well on your way to making money!***
