Hello, my name is Doyle Chambers. I am an extremely successful marketing entrepreneur and home business consultant.

I started my home-based publishing business back in 1989 and you will find my reputation to be rock solid.

My specialty is showing ordinary men and women - just like yourself - how to earn good money right from their homes...working in their spare time.

I generously share my knowledge and experience with serious money-minded individuals to help them get started right.

Before we go any further, I do not want to be confused with any get-rich-quick

artists. I am an established professional - and that is important for you to know.

I am going to do something right now that no one else has probably offered to do for you.

Here is my personal phone number should you have any additional questions when you've finished reading this letter.

972-635-9407 -- You may call me between the hours of 9AM to 5PM Central Time Monday thru Saturday.

I'VE MADE GOOD MONEY AT HOME FOR 20+ YEARS...NOW I'D LIKE TO HELP YOU!

From personal experience, I know that most money making plans really don't work out in practice. For the past 20 years, I have spent thousands of dollars searching out and examining countless money making plans.

Literally, I have bought and tried almost every worthwhile plan I could get my hands on. After all that time and money spent, I developed several genuine money making systems that effectively show average people how to make good money from home. My proven systems also help

prevent people from wasting time, money and energy in the wrong directions.

My powerful money making systems evolved over time and extensive testing to make them the best of the best! I continue to use these same money making systems on a day to day basis to generate consistent money.

My long proven home income systems are distinctly different from other so called money making plans in a major way - **THEY DELIVER CONSISTENT RESULTS!**

My next marketing strategy was to create an Online Home Business Catalog offering my time-tested high demand money-making systems. Everything I learned from the most successful advertisers and from my own experience was distilled into the creation of my powerful consistent-order-generating Catalog.

I have come to realize that there are literally millions of potential customers for my home income systems. The demand for what I sell is so great that it is impossible for me to reach them all myself.

I wanted to reach the greatest number of people with my catalog, so in 1994 -- I designed a simplified program where serious money-minded individuals could simply mail postcards and make lots of money.

Every other Friday, I send paychecks to people who mail postcards for me. Due to expansion, I am now looking for more people to do the same thing they're doing.

My system of using independent mailers helps me get my Online Home Business Catalog out to many more people than I could ever reach myself.

And my participants love it too! They're able to work in the comfort of their home and receive their **PAYCHECKS IN THE MAIL!**

This is an established program with proven, real-life results. Just think! \$150 - \$250 - \$400 - \$600 OR MORE EACH WEEK! The high profits my participants earn keeps them in my program for the long term...steady weekly paychecks!

All you have to do is get my special postcard into the hands of opportunity seekers who are looking for a way to make money. You simply apply mailing labels and postage stamps on postcards -- and then drop them in the mail.

A VERY HIGH PERCENTAGE OF OPPORTUNITY SEEKERS WHO READ MY SPECIAL POSTCARD WILL RESPOND INSTANTLY!

Your Personal ID Number is on the postcard. Your prospects (who receive your postcard) will go directly to my website featuring my **HOME BUSINESS CATALOG.**

Soon after your prospects visit my Online Home Business Catalog, many of those people will be so excited that they will quickly place their order Online, or send their orders by FAX, -- or even "Overnight Express Mail".

I'll also answer questions via phone calls from your referral prospects. Each of your prospects are carefully converted into an actual buyer...and you get credit for their purchases.

When I receive orders, I know exactly who generated that order because an Affiliate ID Number is displayed on each customer order form. Each Affiliate ID Number is LINKED in the computer to each customer. If it was YOU - then YOU get a full 40% of the gross sales on anything sold...**AS MUCH AS \$1,300.00 FOR ONE BIG ORDER!**

That's Right... You Can Earn Up to a \$1,300 Commission from Mailing a Single Postcard to the "Right" Person Who Buys Everything. As More Products Are Added to My Catalog, You'll Be Able to Earn Even More.

The exact payment on each order will vary depending on what items are ordered. Remember -- my Catalog sells several different items. Whenever the people you refer buy my own products, your account is credited with commissions for 40% of the gross sales.

I service all customer requirements for you with no further involvement on your part. You don't have to handle any orders or collect any money yourself. My company handles all order fulfillments. **ALL YOU DO IS MAIL POSTCARDS!**

YOU CAN START GETTING PAID EVERY OTHER FRIDAY!

You will be an independent contractor, not an employee. No taxes will be withheld from your checks.

Because your paychecks come straight from my data processing center, you never have to wonder how you'll get paid. Everything is controlled by computer...I

will write you a check every other Friday for all orders generated from your efforts.

You may be thinking "How do I know I'll receive all my commissions under your mailing program?". The last thing I want to do is "stiff" you on any commissions you have coming to you.

My independent mailers are very important to me and I always conduct business in an ethical and fair manner - I have been doing business for over 20 years and I wouldn't have it any other way.

And besides, I know that once you see the commission checks rolling in -- you'll want to continue in my postcard mailing program.

I am in business to stay and you can be confident that I will pay you each and every commission on all orders I receive from your efforts, period. It's simple arithmetic. **I need and want you to make lots of money on a continuing basis...if you make money - I'll make money!**

You may have noticed that this letter is not written with a lot of "hype". I am not making a lot of wild and irresponsible claims. That is not the way I do business. I'm just trying to tell my story as clearly as I can.

Many people, just like yourself, are already participating in this program and earning substantial weekly incomes.

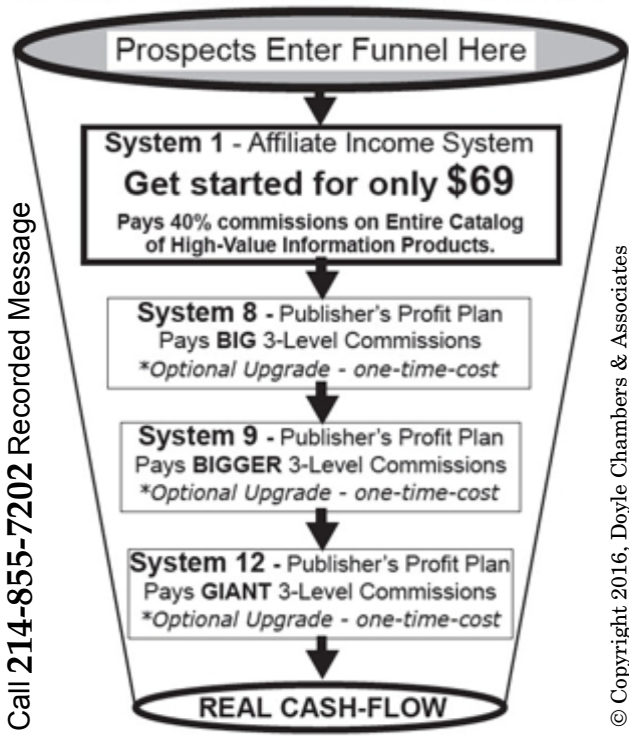

You can mail a few postcards or a lot of postcards. There are no minimums to meet. It all depends on how much money you want to make and how fast you want it.

You can take vacations or quit any time and start again later if you wish. Once you begin...it will snowball and make more and more money for you.
